

145th WELCOMED HOME

MILITARY REVIEW TO-DAY AT THE U. A. COLLEGE

The big and important feature of the demobilization of the 145th will be the Military Review at the college today and the parade through the principal streets of the city. At 12:30 a special train from Salt Lake City carrying the entire state legislature, state officials, city commissions from Salt Lake City and Ogden, and many other prominent people of the state will arrive at Logan to witness the review at the college and the big parade in the city. There will be at least 300 people on this special who will return the same evening.

At 1 p. m. the 145th with its famous military band in lead will march through the city. This is an opportunity you may never witness again. After the parade the procession will go to the college where the military review will be held. The public is invited to be present. Everybody as far as possible should go to the college, see the review, the decorations and the many fine buildings constructed this year. It will sure make you feel proud of the institution when you see it. This is part of your festivities and you should be present. People from all parts of Utah and Idaho will be here.

This evening the soldiers will all march to the Nibley Hall where the Commercial club will present its annual show "The Only Girl." During the show the Soldiers' Welfare Committee will serve refreshments.

The Transportation committee have asked for 100 automobiles to transport the visitors on Saturday from the depot to the college. If you have a car, notify the Commercial club. We need it. We must not let our distinguished guests walk from the depot to the college. We are the hosts, so help us to make good.

BRING YOUR PASTRY TO MURDOCK'S

We are informed by Mr. P. E. Peterson who is in charge of the free canteen service for the 145th boys, that all women and girls who wish to help furnish the boys with pies, cakes, cookies and doughnuts, can leave them at Murdock's and they will be gathered and taken to the College.

The teachers of the Logan city schools have very kindly volunteered to make doughnuts for the boys. This service is greatly appreciated and it is to be hoped that the women and girls of Logan and Cache county will be as kind in offering their services.

This is an excellent way to show the boys that you appreciate them and to make their stay in Logan more pleasant.

The things can also be left at the A. C. if it is more convenient for you.

The boys will be here all week so do not let one pie do for their entire stay, but keep them supplied until they have all left the college.

We cannot give L. M. Jenson, chairman of the Decoration committee, too much credit for the way he has arranged the decorations on the main streets of the city. He has had the help of city electricians and with the cooperation of all the mechanics in the city and the city has never before been so elaborately decorated.

UTAH REGIMENT IS CHEERED BY THOUSANDS

Troops Reviewed by Governor Bamberger Staff, Secretary of State Bennion and local officials. Flags Waved, Bands Played, and general rejoicing over the Safe Arrival.

All Cache Valley extended loyal welcome to Utah's own regiment yesterday. It was a gala day for Logan, the greatest in history. The city never looked more beautiful, the beautifully decorated streets, business houses and homes throughout the entire line of march, with a solid mass of men, women and children lining the streets on both sides added to its beauty, and when our heroes marched along Main street led by Colonel Webb, the gallant commander that wears a smile that won't come off, a sight the like of which this generation will never see again was witnessed by the thousand of cheering admirers. For the first time in the history of our quiet city our citizens were privileged to look upon real soldiers, dressed in full uniform and with all necessary equipment, and as the gray hordes marched along in perfect step, with their packs on their backs, sun tanned and hard as flint, it could easily be seen why the Boches cried "Kamerad" and had such a speedy use for the white flag. Glad to go "over there" and anxious to stay as long as there was work to be done, but when the enemy surrendered they were all anxious to hit the trail for home. And it is a happy home coming too, for most of the boys came back.

The regiment reached Ogden on time yesterday morning and formed in line and paraded the main thoroughfares of the Junction City. At 10 a. m. the train in three sections left for Logan, arriving at 2 p. m., where the Mayor, President of the Commercial club and the various committees met the Governor and his staff, Colonel Webb, and other officers. The parade was formed in true military style, and the line of march began, from the station to Main street, thence north to First North street, thence east along the boulevard to the U. A. C. The band played, men and women cheered, waved flags and wept. Children sang songs and pronounced it the happiest day of their lives. At the reviewing stand on Main street, Governor Bamberger and staff, Secretary of State Bennion, Auditor Ririe, Mayor Bullen, Colonel Webb, President Owen of the Commercial club and others reviewed the troops, and after they had passed pronounced them the finest in the land.

The regiment is a part of the Sunshine Division and so designated by the insignia on the sleeve. Its full strength was 1640 men, but at present it numbers 1170. Some of the regiment has gone to the Presidio, some to Fort Dodge and some to Fort Logan. It consists of a Headquarters company and band, Supply company and Ordnance Detachment, First Battalion, composed of Batteries A and B, Second Battalion, composed of Batteries B and C; Third Battalion, composed of

Batteries E and F. The officers are Colonel William C. Webb, commander; Major Curtis Y. Clawson, Salt Lake, First Battalion, Major Willard Christofferson, Salt Lake, Commander Sanitary Detachment; Captain E. G. Wolley, Richmond, Commander Second Battalion; Captain Freeman R. Williams, Commander Third Battalion; Captain A. E. Wilfong, Ogden, Commander Supply Detachment; Captain Byron H. Wayne, Commander Headquarters Company; Captain J. Ray Ward, Regimental Adjutant; Captain Guy H. Holmes, Personnel Officer and Lieut. Brigham H. Roberts, Chaplain. Lieutenant is in charge of the band, and Captain A. T. Archer is in command of the Ordnance detachment. The Battery commanders are as follows: Captain T. D. Foster, Battery A; Captain Irwin Clawson, Battery B; Lieutenant Samuel W. Riter, Battery C; Lieutenant Don G. Williams, Battery D; Lieutenant Lloyd H. Duffin, Battery E, and Lieutenant Charles W. Woodruff, Battery F. Batteries A and E are Salt Lake boys, Battery B is Ogden boys, Battery C, Logan and Brigham boys, Battery D, Mount Pleasant and vicinity, and Battery F, Provo, Manti, Ephraim and vicinity.

The regiment sailed on the morning of December 24th from Bordeaux, France, and arrived in New York January 5th. The trip was pleasant and without any disagreeable or distressing circumstances and practically the entire regiment arrived in good health. A great many of the men were smiling over the "masks" which brought up the influenza. We were informed that the regiment had 1400 cases of influenza, out of which but 14 cases proved fatal. The boys were loud in praise of the medical officials, whom they said handled the epidemic magnificently. Fresh air, that which a soldier gets most of, and in the "Pup Tent" was the influenza routine. They are all well dressed and declared that they had been well fed. Sometimes they would be short of certain kinds of food, as for instance potatoes at the time so many potatoes were sunk by the submarines. They were loud in their praise of the French girls, but louder, still louder and then louder still in their praise of the American girl, and the Red Cross simply will live forever in their affections. Ten degrees below zero was nothing for the Red Cross girls to brave. Under any and all conditions they were by the sides of the soldiers ministering to the needs. Summing it all up, it was a great experience to have had.

Mr. and Mrs. Orson Hansen of Preston are Logan visitors today. Colonel C. E. Loose and wife of Provo, are guests at the Eccles Hotel.

MRS W. HOWELL TO BE BURIED HERE SUNDAY

Mrs. Ollie Jean Howell, wife of Wesley Howell and daughter of Charles W. Nibley Jr., died at her home here Thursday of pneumonia complicated by heart trouble. She was 20 years of age.

Mrs. Howell, a grand daughter of Bishop C. W. Nibley, was born and raised in Logan. She was widely known and highly esteemed in this community. Her death followed a severe cold. Her husband, a member of the Howell Brothers' Clothing Co. is a son of the late Joseph Howell. He attended the officers' training sixty days prior to the signing of the armistice at which time he was honorably released and returned to his home in Logan. He has since been working at Howell Brothers' Clothing store. He and his wife were united in marriage some two years ago. Funeral services will be conducted at noon Sunday. Interment will take place in the Logan cemetery.

JEMMY'S COMIN' HOME

Gie ma my bonnet Genie, And the best frock that I hae, I mun louk ma best ye ken, Far Jemmy's comin' home the day.

Gie ma they high topped booties, And the shawl with fringe all roun', And ma white silk napkin deary,

With border tae match ma goun', I'm sure I'll hae tae greet a little, I canney help ma sel', When I see my soldier laddie, The one I loe sae well.

He's been far o'er the ocean, To France and England, too, He's been fightin' for his country, Under the red, white and blue.

And today the flags are waven, Far o'er the land and sea, Freedom's wan, and peace begun, And ma ladie's comin' home tae me.

So gie ma my bonnet Genie, An the best frock that I hae, I mun louk ma best ye ken, For Jemmy's comin' the day.

What's in the note ye'r readin' Why do ye hide it frae me? Why are ye greevin ma lassey? Why a tear in yer blue eyes I see?

Did ye say Jemmy's aae comin' the mornin' Jemmy's aae comin' the day? I canney hear ye speakin' Oh! I dinney ken what ye say.

He died upon the battlefield, A soldier true and brave, And here's the flowers his comrade sent you, A flower frae Jemmy's grave.

Oh! Ma eyes hae grown sae dim, dae-ling, So dim I canney see, Oh! Ma heart is broken lassey, Did ye say ma Jemmy's not comin, Not comin' home tae me

Lay aside ma bonnet, Lay aside ma goun', I'll need them aae mair ma lassey, Nae that ma Jemmy's aae comin' home.

—Mrs. Mattie Cooper.

LETTERS SENT TO U. A. C. CAFETERIA

The people in charge of the cafeteria at the U. A. C. have received letters from different sources extending appreciation of the valuable assistance the cafeteria has given in feeding the soldiers who have been stationed at the college. Below are two letters received by the cafeteria manager:

1333 Water St., San Francisco. Dec. 27, 1918.

Cafeteria Manager, Utah Agricultural College, Logan, Utah:

My dear sir: At the time when the army training detachments were first considered for Logan, the problem of feeding the men became the most serious of all questions to be solved.

Your serviv in taking care of our soldiers deserves special mention not only because of the efficiency of your work, but also because of your constant devotion to the general cause of winning the war.

The efficiency of your work stands out as being worthy of my sincerest appreciation and in behalf of the Committee on Education and Special Training of the War Department, I wish at this time to express to you our sincerest appreciation of your most valuable services.

Sincerely yours, JAMES E. ADDICOTT, District Educational Director Dist. No. 11 January 4, 1919

Cafeteria Manager, Utah Agricultural College, Logan, Utah.

My Dear Sir: Mr. Addicott has just written me something of the splendid work you have done in connection with the feeding of the men at the Utah Agricultural College.

It is the spirit of team work and absolute devotion that has made our country successful with its War program and even though our part of it was small compared to the whole, nevertheless the general opinion is that it was an important part and was well done.

You may well find great satisfaction in having had a hand in it. I assure you it has been a pleasure to be associated with a group of people scattered over the United States who responded so thoroughly.

Very sincerely yours, C. R. DOOLEY, Educational Director Vocational Instructor

U. S. MARINE CORPS OFFICER IS IN TOWN

Sergeant Lyman Meibos of the U. S. Marine Corps Recruiting office in Salt Lake City is in this city for recruiting purposes during the demobilization of the 145th Field Artillery. No doubt some of our boys will want to see more military service especially those not having made any plans for the future. Opportunity is offered them at the post office and Sergeant Meibos will be there to answer any and all questions regarding service in the Marine Corps. Anyone desiring a booklet may have one by calling at the post office.
