

**How Not to Take Cold**

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled and getting the feet wet. Then, when they feel the first indication of a cold they take Chamberlain's Cough Remedy without delay and it is soon over.

**NOTICE**

Paramount Candy Company a Corporation. Principle Place of Business Logan City, Cache County, Utah.

P. E. Peterson,  
Secretary.

Secretary, office at Paramount Candy Company's place of business Logan, Utah.

**A Timely Suggestion**

...This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is at hand and given as soon as the first indication of a cold appears and before it has become settled in giving it to children at it contains no opium or other harmful drug.

**LANO-FUME**

The new remedy for colds, sore throat, Pleurisy, Croup and Kidney Aches. For sale at Riter Bros Drug Co., and Prescription Drug Co. at Logan. adv

**Good Health**

If you would enjoy good health, keep your bowels regular. No one can reasonably hope to feel well, when constipated. When needed, take Chamberlain's Tablets. They are mild and gentle.

**Catarrh**

Catarrh is a local disease, greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier. By cleansing the blood and building up the System, HALL'S CATARRH MEDICINE restores normal conditions and allows Nature to do its work.

Chamberlain's Tablets Have Done Her a World of Good.

"Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Button, Kirkville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.

**Troubles of Bush Boy.**

At least one major league ball club has a card index system, in which all the major and minor league players are listed for reference. One of the questions on the card, which are answered by the players, is "Bats" and another "Throws." The men are supposed to note down if they are left-handed hitters and right-handed throwers.

One minor leaguer answered the two like this:  
Bats—Ty Cobb 24.  
Throws—Out, in, spitball, fast ball, drop.  
Still another like this:  
Position—Pitcher.  
Bats—350.  
Throws—110 yards.

**Shakeup of Pirates.**

A violent shakeup of the Pirates is planned and when next season rolls around familiar faces will be missing. The debacle of 1921 is the cause. After leading the National league race the greater part of the season, the team faltered in the stretch and the Giants romped home winners.

**INTERESTING SPORT NOTES**

The first ring fight in America was between Jacob Hyer and Tom Heasley in 1810.

Barnstorming in baseball often leads to brain storming and neither gets anywhere.

Exhibition baseball games played by Texas leaguers in Mexico proved a financial frost.

Charley Graham's plans are to rebuild the San Francisco team generally for next year.

Gloucester fishermen already plan to build a new schooner for the international races next year.

John McGraw is said to be anxious for a part ownership in the San Antonio, Texas, league club.

One of the latest rumors floating about is that Barney Dreyfuss is after Heinie Groh for the Pirates.

Baseball is threatened with another severe blow. There is a shortage of 3,000,000 bushels in the peanut crop.

Rumor has it that George M. Cohan, former Broadway producer, will buy the Brooklyn National League Baseball club.

The golfer who complains that some one is driving into him might give himself the once over and see if he is slowing up the procession.

The Boston Red Sox have drafted Thomas J. ("Zip") Sloan of Pittsburgh, pitcher last season for the Hartford club of the Eastern league.

The appointment of Clarence Wanamaker, coach of the Dartmouth hockey team last year, as the Yale varsity coach for the season is reported.

The Omaha Western league club seeking a first baseman to succeed Jack Lellvelt, is reported to have decided on Junk Walters, who was with the Moose Jaw team of the Western Canada league.

"Smiling Jack" Lellvelt, champion batsman of the Western league and former manager of the Omaha club, has signed a contract to manage the Tulsa Oilers in 1922.

The Chicago White Sox of the American League and the New York Giants of the National league are planning a series of spring exhibition games while on their way north from southern training camps next year.

This "Earth" Largely Water.  
A trifle more than seven-tenths of the surface of the globe is covered by the waters of the oceans. The total area covered by the latter exceeds the total area of the lands of the world by 83,000,000 square miles. Reckoned in terms of quantity, the oceans contain 824 cubic miles of fluid, or 14 times the bulk of all the lands in the world above sea level.

Walter Johnson.

the fans, which explains the great interest that has been taken in his case. If you will take the word of American league players and umpires, Johnson is far from being a back number. Illness and injury slowed him up on several occasions last season. However, Johnson finished the campaign in good health and never looked better as a pitcher. It is a certainty that he will be good for three or four years more.
