NUMBER 9

EDUCATIONAL TREAT ARRANGED FOR MARCH 15

Big Dairying and Hog Raising campaigns are being instituted through the Agricultural College Los Angeles and Salt Lake R. R. and the International Harvester to stimulate interest in dairying, raising, poultry industry and Economics. The campaign starts March 15th at American Fork and ends April 11 at St. George. The Farm Bureau and the Commercial club are behind the movement. Agriculture committee of the club formulated the program given below for the two days' stay in American Fork. People from Lehi, Pleasant Grove, Alpine and vicinity invited to attend this educational treat. Such men as Orsen Ryan, Superintendent of the Public Schools of Logan, W. Jones, U. S. Agriculturalist; R. Eldredge, dairyman and V. S. Peet will be present to discuss the problems. Special courses in home economics for the ladies will also be given. The meetings will be in the city hall and the High school building.

The school from Logan will bring car loads of stock, implements and other necessary material for the demonstrations. The programs are arranged and will be as follows:

- March 15-10 a. m. High school assembly room.
- Music, invocation, music, address of welcome, Chairman W. H. Chipman; 10 minute talks from visitors, outlining the work for the two days course, J. W. Jones, Ben Eldredge, V. S. Peet, Mr. Welsh, R. L. Ashby, and Miss White.
- 7:30 P. M. City Hall.
- Music, Dairy Talk, Ben B. Eldredge, Music;
- 7:30 P. M. City Hall.
- Music, Community Talk. "Communities are made of folks", Orson Ryan; music; talks on files, Miss White.
- Thursday, March 16th 10 A. M. city hall.
- Assembly for all; Singing, prayer; Separate to classes.
- Women—Home Economics.
- Men—Sales and Crop Rotation—Ryan.
- Influence of Agricultural College on the Public—V. S. Peet.
- 7 P. M. City Hall
- Singing, Invocation. Separate for classes.
- Women—"Health"—Keeping vigorously alive—Miss White.
- Men—Livestock talk—Mr. Manderfeld.
- 7:30 City Hall.
- Music, Invocation, Music, Poultry Talk R. L. Ashby.
- This is an educational treat and is free to everyone.

CANYON CROSSCUTS

The Midwest company are said to be recovering from the effects of a snowslide which took off one corner of their air compressor house, disarranging their machinery and expect to be operating the air drills within a few days.

The snow is still very deep at that place. A shaft had to be dug down to the stove pipe and another to the doorway. Mr. Larson stated it was over the top of 30 foot telephone poles.

The Pittsburg Company are working and it is stated that two sleigh loads of supplies got through last week being hauled by Mr. Gillman of Pleasant Grove. The miners of the camp were very glad to get their mail of several weeks accumulation.

The Pacific Company are said to have opened a new body of silver-copper milling grade ore in their north workings and as this is the quality of ore which often makes in very high ore in the camp, it would not be surprising if they did not discover some of it in course of development of this new find. Mrs. A. B. Stevenson, a large stockholder in the company was elected a director at the February meeting of stockholders in place of Mr. Muller of Ogden.

The snow is said to be eleven feet on the Pacific dump and an average of ten feet on the Pacific flat.

ANOTHER EARLY SETTLER CALLED

Mrs. Isabell Wagstaff, another of American Fork's earliest settlers and sturdy pioneer was called to her reward about 10:30 Wednesday morning. She was 74 years of age, having been born in Scotland, August 11, 1847. In 1877 they immigrated to this country settling in American Fork where Mrs. Wagstaff has since resided. Upon the death of Mr. Adamson she was left with two children, Betsy, now Mrs. John Hunter of this city, and Alexander, who died when 10 years of age, and three step children, Peter C. Adamson of this city, Walter Adamson of Wyoming and Jimmie Jemica of Eureka.

Later she married George Drysdale through this union she became the mother of one son, George, who survives her.

About 38 years ago she married Samuel Wagstaff and became the mother of one child, Mrs. Maroni Sabey of Provo. Besides these children she is survived by two grandchildren Mrs. Lenard Shoel of Logan and Vera Sabey of Provo.

The deceased was a true Latter day Saint and for many years was a teacher in the Relief Society.

The funeral services were held Friday at 2 p. m. in the Third ward chapel.

FARM BUREAU ELECTS OFFICERS

A good number of Farm Bureau members assembled for the reorganization meeting at the City Hall Saturday night. All the members of the past year's board of directors were released and extended a vote of thanks. Their work was partially reviewed and highly commended.

The new officers who were elected to represent the Bureau for the coming year are: W. H. Chipman, president, Wm. King, vice-president; Geo. F. Shelley, secretary; and J. F. Welsh, treasurer. These men with one member of the Ladies Farm Bureau will form the board of directors for the coming year.

The Bureau has recently increased its membership and a great many things of benefit to the farmers of this community have been promised for the year.

BASEBALL MEETING MARCH 16th.

There will be a meeting of the officers, baseball players and all baseball committees, in the City Hall, Thursday evening, March 16th, at 8 o'clock. Come out, as some important matters will be up for discussion.

BASEBALL NOTES

The Lehi club is working on their plans now and expect to put a team in the league this year that will cop first honors.

Provo, it is reported are going in to win from the start. They have signed Jones, Ogden's pitcher of last year in the Northern Utah League, and are after Fallentine, another Northern leaguer, to do their catching.

Springville will come in with a good array of players this year, with Jerry Dunn the big bet on the mound.

Spanish Fork, with "Shorty" Freeman at the helm, are after "Lefty" Fleiger, the mainstay of the Springville team last year and expect to give the other teams of the league plenty of competition.

At a meeting of the board members Thursday night at Provo, only four clubs were represented and little business was transacted. W. H. Homer, local board member, and K. Taylor, secretary of the local club attended the meeting.

Nephi having dropped out of the league this year, the matter of dropping another team and making it a six-team league, or getting either Eureka or Millvale to come in and still have an eight-team league, will be decided upon at the next meeting of the board.

AMERICAN FORK WINS SECOND HONORS IN STATE TOURNAMENT

American Fork high school basketball team captured second place in the state tournament this year. The big fight for the final state honors was between the old rivals of the Alpine division, Lehi and American Fork.

The local boys suffered indisposition during the first two days of the tournament and really did not get back into their old style pep until the last night and then too late.

A Salt Lake paper had to say of the game:

To a disinterested on, the downfall of the American Fork team was a bit pathetic. They fought all the way, they took the lead at one time, but to reserve, and the will that has given them eighteen straight victories was inadequate to curb the indomitable, unrelenting attack of West's warriors.

American Fork went down fighting even up to the last whistle. A ten point handicap could not take the courage away. Those fellows trained by Happy Holmstead, a fighter, himself, didn't know the meaning of quit. And even in defeat they're there, even as they are in victory.

Chipman was high point man of the state scoring 68 points. He was the best foul pitcher by far only missing half a dozen out of 33 tries. He also scored 21 field goals which was second highest of these points.

In the game, Lehi started strong and soon had a good lead. American Fork came back however in the latter half of the first half leaving the score 35-14 in Lehi's favor. The Lehi squad came back stronger than ever in the last half and soon had a commanding lead which the Forkers were never able to cut down.

American Fork held the lead by one point at the start of the game when Chipman scored a free throw and again held the lead by one point at the start of the second half when Hoffmann scored a long throw making the score 19-15.

The final score was 42-31. Chipman got 6 field goals and 7 out of 10 free throws. Hoffmann got 5 field goals; Ingersoll caged 11; Birk and Storrs did not score. Roberts for Lehi was star of the evening, caging 10 field goals from all angles of the basket.

A big celebration in honor of the boys was held Tuesday. The school and townspeople are certainly proud of the team as was shown.

At 11 o'clock a splendid program was given at the high school. Coach E. L. Roberts of Provo was the speaker. He highly praised Coach Holmstead for his splendid, clean brand of ball. He spoke of the development of better sportsmanship and complimented the school on the splendid manner in which they took defeat. Musical numbers were rendered by the school band, the ladies glee and Clarence Grant and Ray Shelley. An original song was sung with a verse for each member of the team by members of the English C. class.

In the afternoon, the students assembled in the gymnasium where they enjoyed a peanut bust. A march was then made to town through the stores and school building. The team were presented with a beautiful white carnation tied with a red ribbon, by the grade school teachers, and upon passing through the Harrington building, they were showered with peanuts. As the procession went through the Co-op store, the

members were presented with a number of gifts from the firm. School uniforms and caps were given.

In the evening a rousing free dance was enjoyed in the Apollo hall. The Lehi and Pleasant Grove student body were invited as special guests.

The local team and student body were the guests of Lehi at their school on Thursday night.

Friday night the American Fork high school faculty banqueted the boys and they were presented with their presents and other awards.

BIDS REJECTED FOR NEW GYMNASIUM

The School Board met in regular session in the office rooms here Tuesday. The contractors and lowest bidders on the general contract and the plumbing and heating, together with the architects were present to discuss the letting of contracts for the new gymnasium in American Fork. After some lengthy discussion the board decided to reject all bids and to advertise for new bids which will be opened March 21.

A committee from Lincoln district and another from Sharon district met and agreed that certain repairs be made. The board took the matter under advisement stating that the financial condition of the district would prohibit any more work along this line being done this year.

A committee representing the teachers of the district met to discuss the financial problems of the district and agreed that they held contracts and dances were enjoyed. They prayed over to American Fork at noon in automobiles bringing two bands and 50 entries.

ANOTHER TREAT MARCH 17TH

The 17th day of March is held and has been ever since the Relief Society has been organized, in fact St. Patrick is not the only one who holds this as his birthday, but the above named organization celebrates on this day as well, and this year as other years will be appropriately commemorated. Committees have been appointed and are hard at work putting thru and perfecting plans for this occasion to be one of the best ever. A special decoration committee, who undoubtedly will put forth such an effort that all other dresses worn by the tabernacle will be outdone completely. There is always a charm and thrill in homey appearances, we are looking forward to such a charm and thrill. Our committee on "Jig and Jangle" will have something new, amusing, and sustaining, they also will do their bit to make you at home and enjoy a good wholesome thrill with a relish. We appreciate beyond expression the kindly attitude of the "Juniors" who have postponed their "prom" for one week that strength might be added to this evening to be given by the Relief Society. Come at the first and stay till the last, and bring your neighbors and friends. If you have never been to one of these occasions given by the Relief Society come now and you will never miss another.

Yours with appreciation
Relief Society of the Four Wards

LEHI HONORS THEIR CHAMPS

All of Lehi celebrated Thursday in honor of the basketball team winning the state championship. The mayor proclaimed a holiday and programs, parades, banquets, concerts and dances were enjoyed. They prayed over to American Fork at noon in automobiles bringing two bands and 50 entries.

ANOTHER BIG GAME FATS VS. LEANS WEDNESDAY EVE.

Another "thrilling" basketball game will be staged in the Apollo Hall Wednesday night, March 15th. Between the all star teams, Fats vs. Leans. The Fats seek revenge on the Leans for the defeat dealt them at the previous game. Their line-up has been re-arranged and Les Chipman, the star forward who was ruled out of the other game because of personal fouling, will be in the lineup and the fats state they will give the Leans a run for their money this time.

The proceeds of the game and dance will be turned over to the Baseball Club. As the forfeit money required by the League must be posted within a few days this means is taken to raise it and every baseball fan in the city is urged to attend.

WORK BEING DONE IN PREPARATION FOR NEW LIBRARY

The old blacksmith shop opposite the Co-op is being torn down this week, preparatory to the erection of the new Carnegie library. This had finally been definitely decided upon by the library board and the city as the proper place for the location of the building. The corner property it is said will later be used for a city park and should beautify this city immensely.

When asked Wednesday as to when the work of erecting the new library would start, Dr. F. M. Kelley, chairman of the library board stated that on account of the illness of the architect, the work had been somewhat delayed, however it is expected that the next two or three weeks will see the work commenced.
