IT IS A FACT

That thousands of our business men go to their offices in the morning after an uneasy night, of a late dinner, feeling dull and all out of sorts. This is entirely unnecessary, for a single dose of the sparkling foaming specific, Tarrant's Seltzer Aperient, taken before breakfast, will immediately dispel all feelings of heaviness, remove greatly but surely the cause, and quicken into healthy action every fibre of the system. For sale by all druggists.

Twenty-Fourth at American Fork.

AMERICAN FORK, July 25, '83.

Editors Herald:

If hoisting the national flag nearly an hour before the usual time is any token of extra patriotism, then Major Logie, of this place, ought to go to Congress, or at least to the legislature; if not, I hereby enter my protest against such a breach of that time honored custom. In consequence of said breach, Captain E. A. Henriod's company of city guards, not being able to salute the flag at its hoisting, revenged themselves by firing extra salutes, and thus the "Old Flag" was more honored in the breach than in the observance.

By-the-by, have you seen or heard anything of the American Fork Brass Band? They were not at their post on that memorable occasion, and it is rumored here that they went to dispute the honors of the day with the Tenth Ward Band in your city. As long programmes are not relished I will merely state that at 9:30 a.m. a fine procession, commanded by Marshal J. E. Hindley, assisted by George H. Robinson, left Church Square for Benjamin Brown's timber, headed by our well equipped and competent martial band, and followed by the city guards, ecclesiastical and civil authorities, members of the Mormon Battalion, and several vehicles containing representatives of various trades in costume, children of the various Sunday schools, farmers with primitive and modern implements and machinery of all descriptions; wood choppers, miners, sheep herders with outfit, band of Utes, young bucks, squaws and papooses, the latter creating considerable merriment; merchants' wagon with motto, "We try to please."

Hanlon-Lee-Hosmer Race.

Syracuse, N. Y., 26.—The Hanlon-Hosmer Lee race at Fulton this afternoon was witnessed by 5,000 people. The course, three-quarters of a mile, was rowed over twice. There was very little betting, it being conceded that Hanlon was sure winner. There were a few even bets on the result between Hosmer and Lee. A start was made at 5 o'clock; all took water together. Hanlon and Lee pulled thirty-four, Hosmer thirty-six strokes. The boats kept even the first half mile. Hanlon then drew ahead, and Hosmer tried to get the best of Lee. Hanlon turned the stake in six minutes, Hosmer ten seconds later, Lee five seconds behind. Back to the start Hanlon drew well to the front of Hosmer and Lee, between whom there was a fine struggle. A quarter of a mile from the start Hanlon slowed up and the others gained on him. Hanlon turned the starting post four lengths ahead in 9 minutes and 34 seconds. Hosmer and Lee turned together. Hanlan stopped rowing and took a drink of water from his hand and again started. Hanlan was two lengths best, and kept that position to the quarter, when he crossed to Lee's water and rowed to the turning stake. Lee and Hosmer kept up the struggle all the way up. Hanlan turned the stake in 14 minutes and 10 seconds, Lee ten seconds later, and Hosmer two seconds behind him. Hanlan spurted after all three had turned, gaining a good lead, and settled to twenty-eight strokes a minute. Hosmer, shortly after turning, spurted, and was soon alongside of Lee, and both pulled a fine race all the way back. About a quarter of a mile from the finish both drew up to Hanlan and the three rowed even side a short distance when Hanlan by a few strong strokes opened the lead several lengths from Hosmer, who was still a length ahead of Lee. When a few rods from the finish Hanlan quickened his stroke and crossed the shore winner, and Hosmer half-length ahead of Lee. Time: Hanlan, 19 minutes 49 seconds; Hosmer, 19 minutes 50 seconds; Lee, 19 minutes 51 seconds. Healy, of Oswego, pulled outside a not bad fourth. Time was recorded showing the course is not a full three miles. Hanlan, Hosmer and Lee have started for St. Paul regatta.

LATEST TELEGRAMS

Telegraphers.

Cleveland, Ohio, 26.—The Board of Trade, to-day at noon, adopted a resolution protesting against further continuance of the present state of affairs in telegraphing, causing stagnation to general business; and this board believes that the Western Union Company is in duty bound to immediately arrange for its usual transmission of messages. Such great business interests as are now at stake should have immediate relief; also requesting the Western Union company to take such action as will bring about the desired result. The secretary was directed to notify the managers of the telegraph company of the board's action.

Philadelphia, 26.—The striking operators of the American Rapid Company returned to work this morning in a body. The men and inspectors of the Bell Telephone Company this morning presented a bill of grievances to the officials and declared their purpose to strike at 3 p.m. unless the terms were acceded.

San Francisco, 26.—A theatrical performance at the Grand Opera House, on next Sunday night, is organized for the benefit of the striking operators. The play is Baucant's "Long Strike," with several strikers in the cast. The Knights of Labor have subscribed for \$1,000 worth of tickets. It is reported this evening that over

\$8,000 in tickets have been sold. The Knights of Labor have levied an assessment of one dollar a week on each member to sustain the operators during the strike. Full press report is coming through and Supt. Jaynes reports the commercial business handled at this point is equally as large as before the strike. Everything is working smoothly.

Chicago, 26.—A subscription taken up on the board of trade to-day, for the benefit of the striking telegraph operators; about \$800 was raised.

At 11 o'clock to night the Western Union manager reports all important circuits clear of business, with no material delay in any direction. In short, the business is handled as promptly as usual before the strike.

The striking telegraphers held a meeting to-night, and were addressed by a member of the committee of the painters branch of the Knights of Labor. The cash subscription received in Chicago was reported to amount to \$22,000. The first desertion from the strikers ranks in this city is reported to-day. The strikers' allies have evidence that he only joined the strike for the purpose of causing a break in the ranks.

LEROY BREWER.

A Log Jam Breaks.

Detroit, Michigan, 26.—The calamity, threatened at Grand Rapids, the past three days, took place this morning. An immense jam of logs, extending up the Grand River a number of miles, has been lodged against the bridge of the Grand Haven Railway, which succumbed this morning and went down with a rush. The bridge of the Grand Rapids, Chicago, West Michigan, followed suit. Millions of feet of logs have gone down the river and are almost certain to continue down, sweeping everything before them going into Lake Michigan. If this prove true, a large additional number of logs will be carried out of Grand Haven, as well as the destruction of all bridges. The ultimate losses, it is feared, will reach many hundred thousand dollars. The calamity is unprecedented in this respect.

Loss on building, machinery and stock is about \$350,000; insurance \$275,000, well distributed.
