

THE DESERET FARMER.

Are You The Friend of Agriculture?

If so, help us to work for the development of that great industry The "Deseret Farmer" is striving hard in the interest of every branch of Agriculture. It's Editor and Staff, through the columns of the "Deseret Farmer," are constantly giving valuable aid to farmers in the problems they meet every day. There is not a subscriber, who if he reads the paper, can not get his money's worth out of it. Get us at least one new subscriber; persuade some acquaintance to send in a dollar and take the only home farm paper for a year.
