We have taken the Hal agency which is the most important announcement in automobile circles in Salt Lake in years. This is a twelve-cylinder high grade car developing more than one hundred horsepower yet lighter by six hundred pounds than any other similar car. It is the last word in motordom. To this wonderful car hills look like level ground. It's a car anybody would be proud to own. It is very easy to prove by comparison that it has the best springs of any American automobile. Come in and see this car and also take a demonstration whether you are in the market or not.

En route is a full line of GARFORD Trucks of all sizes, some twenty or more, with the largest stock of parts carried west of Chicago.

Our Motto—"A Satisfied Customer."
