NOTICE OF BIDS FOR THE CONSTRUCTION OF DRAINAGE WORK.

Notice is hereby given that the undersigned Board of Supervisors of Corinne Drainage District, Box Elder County, State of Utah, will receive sealed bids for the construction of drains, canals and drainage work, and the furnishing of all material therefor, except tile, as proposed for the drainage of said district, and in accordance with the plan adopted by the Board of Supervisors on Saturday, the 23d day of October, 1915, at the hour of 12:00 o'clock noon, at the office of the said Board of Supervisors of said District, on Montana street, in the City of Corinne, Box Elder County, State of Utah.

Plans and specifications for the whole of such work can be seen at said office of the Board of Supervisors of said District in said City of Corinne, or by application to W. M. Bostaph, engineer of said district, at his office in the Kearns building, Salt Lake City, Utah.

Bids will be received for the whole of said work, except as above recited, the furnishing of tile therefor, same being particularly described as follows:

Approximately 8 miles of open drain canal, requiring approximately 50,000 cubic yards of excavation.

Approximately 16 miles of main covered tile drains, varying in size of from 8 inches to 16 inches in diameter laid from 6 feet to 12 feet in depth and approximately 218,856 miles of lateral covered tile drains varying in size from 4 inches to 6 inches in diameter, laid as close to a depth of 6 feet as is practicable and feasible, said covered drains requiring approximately 276,267.8 cubic yards of excavation.

Back filling of covered drains (bidders will be required to bid per cubic yard on the open drain excavation and per linear foot in accordance with the plans and specifications for excavating trenches, laying pipe and back filling all covered drains, (whether mains or laterals); supplying and installing where necessary concrete in place (bids per cubic yard); supplying Oregon Fir Lumber delivered at Corinne, Utah (bids per thousand feet); furnishing gravel delivered on the work where used (bids per cubic yard); hauling pipe from Corinne or side track in Section 34, T 10 N. R. 3 W., and Section 3, T. 9 N., R. 3 W., S. L. M., and distributing the same along ditch where used (bids per ton); hauling lumber from Corinne and delivering where used (bids per thousand feet); making excavation for culverts in-takes, out-falls and other foundations (bids per cubic yard). All as is more fully and particularly described in the complete plans and specifications on file in the office of said District and with said Engineer.

Said bids will be received at the office of the said District on or before the hour and day above mentioned, and will be opened at said time and the undersigned Supervisors will let the contract therefor to the lowest responsible bidder as soon as convenient after opening said bids; but the right is reserved of rejecting any and all bids.

Payment for said work will be made in legally issued bonds of said District, which must be accepted by the person awarded said contract at par and accrued interest from date of issue and no bids, unless in accordance with this provision, will be given consideration.

Any person or persons to whom the contract may be awarded shall be required within the time to be fixed by said Board, after such award, to enter into a bond according to law with good and sufficient sureties to be approved by the undersigned Supervisors,

payable to said Corinne Drainage District, for its use, in an amount equal to 50 per cent of the agreed contract price, conditioned upon the faithful performance of the same, in accordance with its provisions.

All work shall be done under the direction of the engineer of said District, and before acceptance must be approved by the Board of Supervisors. Done by the order of the undersigned Supervisors.

Dated at Corinne City, Utah, Sept. 28, 1915.

JOHN J. CRANER,
C. G. ADNEY,
E. W. DUNN.
