

CHANDLER SIX \$1295

A Known Motor

IN the midst of extravagant claims for new theories and untried ideas, the Chandler motor stands free from any hint of experimentation. From coast to coast men *know* what this motor does, men *know* they can depend upon it, men *know* its service is enhanced by the fact that it is a *proven* mechanism, perfected through three years of conscientious refinement.

And Chandler bodies, the new big seven-passenger touring car body, and the new four passenger roadster, are the most beautiful motor car bodies of the year.
