HAINT HIT HAWFUL, MIBEL?
(By T. G.)

Now 'ere's a tile hof halching 'arts, hin which
a flannel vendor
Cut hin between a youthful pair, hand snapped
their 'artstrings tender,
Hand leaving cafes of Stite be'nd, 'e never
stopped or tarried,
But hentered hin a six-dlys' ralce because some
folks got married,
'E 'ted 'im hup to Ogden town upon the hinter-
burban,
Has fast has Carrie Natton would go hafter rye
or bourbon,
'E beat hit hup the bridal path hand beat hit
back hagin,
Much has the former king of France hand 'is ten
thousand men.

Hif 'e'd butted into Butler
Hit's han heven break that Cutler
Would 'ave shown some speedy footwork on the
boy's hanatomy.
For John C. did not hadmire
Thomas E., hand hin 'is hire
Did not conceal 'is hatavistic like ferocly.

The train came back to Zion town; 'is hexcel-
lency's daughter
Went strightaway to Butler's 'ouse, the chise
grew 'ot hand 'otter.
Hand when the pair were caught, J. C., with hin-
dignition 'ectic,
'E "set apart" the newly-wed hand did han
hepleptic.
Hand hafter hall the gore was spilled 'e said:
"This halge of Teddy
"Makes one 'oo sat upon 'is left a trifle rough
and ready.
"Hi'm peaceful has a fish described has super-
gelatinus,

"But want hit plaine that Butler must not butt
hin 'ere between hus."

So Cutler cut hup Butler,
Hand Butler butted Cutler,
While tearful Mibel motored home to duck
parental wrath.
But she who was Miss Cutler
Has the sobriquet of Butler
Hand his Mrs. Cutler-Butler hand hit's certainly
to laugh.

Of the ultra society events of the late season
the reception at the beautiful new E. O. Howard
home on Brigham street Monday afternoon proved
a very charming affair. Several hundred ladies
spent the afternoon with the hostess. The house
was beautifully decorated with roses. The din-
ing room was in white and green and rose tinted
lights throughout the lower part of the house lent
a splendid effect to the whole. Mrs. W. M. Ferry,
Mrs. George Y. Wallace, Mrs. Benner X. Smith,
Mrs. O. W. Powers and Mrs. Ernest Bamberger
assisted in receiving. Mrs. Heber M. Wells, Mrs.
L. L. Savage, Mrs. Edward S. Ferry and Mrs.
Walter G. Filer served punch. Miss Annie Mc-
Cornick assisted.

The rose tea given in the parlors of the Ken-
yon Wednesday afternoon by the local chapter
of the Daughters of the American Revolution
brought a charming crowd out and the upper
floor of the hotel was gay all afternoon. The
parlors were beautifully decorated and about two
score men couldn't resist the temptation to go
up about five thirty o'clock. They found Mrs. J.
R. Walker and Mrs. Benner X. Smith in charge of
the dining room and Mrs. Russell L. Tracy in
charge of the punch. A host of the younger crowd
assisted in the serving, among them the Misses
Bess and Mildred McMillan, the Misses McCornick
and the Misses Richmond, Miss Louise Sullivan,

Miss Loreen Leary, Miss Margaret Walker and
Miss Henrica Wallace.

A half dozen men are back from college this
week and the University club has witnessed high
jinks since Monday. About eight fatted calves
killed to date.

Mr. and Mrs. Simon Bamberger accompanied
by Sidney Bamberger, are in Baltimore, where the
latter will be under the care of a specialist for
some time. Julian Bamberger returned from
school late last week.

Mrs. W. P. Cooper entertained at her home
Wednesday afternoon for Mrs. John S. Bransford.

Miss Mable Burrows of New York has had
half a dozen parties in her honor this week and
next Monday Miss Edna Dunn will entertain for
her. Miss Mary Moore entertained for her Mon-
day of this week, with Miss Carrie Calvin. Later
Monday Miss Calvin left for Los Angeles to join
her father and mother.

Lieutenant and Mrs. Hugh Walthall are new-
comers at the Fort. They are guests of Lieuten-
ant and Mrs. Butcher until they can get settled
in No. 17.

Mrs. David Keith entertains Friday afternoon
at the third of a series of small bridge parties.

Miss Edith Sherman goes east immediately to
spend some weeks with her sister, Mrs. Harry
David Cue, in New York.

Mrs. W. W. Armstrong entertained at a splen-
didly appointed bridge tea Wednesday afternoon.

Thursday Mrs. W. V. Rice entertained at
luncheon at the Alta club.

THE ONLY PEBBLE ON THE BEACH

Our Great Water Softening Plant

stands as a monument to our enterprise and
energy. The use of hard city water in the
past prevented our getting the best results.
Soft water whitens the white goods, brightens
the colored goods, softens the fabric. Gives
longer wear. *The only water softening plant* used
by any laundry in the city, the largest used by
any laundry in the world, is operated by us.

A GOOD THING

WHEN YOU GO MOTORING

and take your lunch with you, be
sure and have a THERMOS BOTTLE
in the car.

Fill it with hot coffee or cold lemonade
before you leave home, and when you get
ready to use it you'll find that it is still at
the same temperature. Wonderful invention,
isn't it? Costs \$3.75.
