The apartments in the Woodruff, the fire proof apartment house on Second East street, are being rapidly taken, and the Mutual Realty Company is daily receiving numerous inquiries regarding the one, two, three and four room apartments.

It's this way, people figure that it is better to take their choice of fine, modern apartments at different prices than to be obliged to take one kind of an apartment at one price.

#### THE LOUVRE AND THE THEATRES.

With the opening of the theatrical season for 1908-09, the real season at the Louvre Rathskeller begins, and it is our belief that this will prove more popular than any preceding year at the cafe.

Already, theatre patrons are arriving early after the performances, and with the opening of all the playhouses the coming week, the crowds will be greater. The Louvre is the only cafe in Salt Lake where people may wine and dine and hear good music, and meet their friends in a Bohemian atmosphere, and is the natural magnet for those who sup after the play.

If you're looking for a friend, you'll probably find him there with a lot more. If there are notables in town—actors, artists, writers or any other distinguished bon vivants—you'll see them at the Louvre, where the cuisine and the service are what they should be, where the variety of wines, liquors and cigars is unsurpassed, and the best cafe orchestra between San Francisco and Chicago may be heard day and night. I want to see you every night next week.

EUGENE WILLE, Manager.

What makes the people send their bills to Wallace to collect, is because he gets the money without offending the debtor, and consequently his clients do not lose trade. Send in your bills. 324, D. F. Walker Bldg. Phones 1069. Send for folder.
