AN ORDINANCE.

AN ORDINANCE GRANTING TO the Denver & Rio Grande Railway Company, and to its successors and assigns, on the petition of George Burbridge Coal Company, a franchise and right of way to construct and operate a single spur railroad track on Fifth West and Seventh South streets, in Salt Lake City, Utah.

Be it ordained by the City Council of Salt Lake City, Utah:

Section 1. A franchise and right of way is hereby given and granted to the Denver & Rio Grande Railway Company and to its successors and assigns, to lay, construct and operate a single spur standard gauge railroad track upon the street hereinafter described, to-wit:

Commencing at a point in Lot 2, Block 27, Plat "A," on Fifth West street between Sixth South and Seventh South streets, running thence southwest on the 15th degree curve to a point on Fifth West street 375 feet from place of beginning and connecting with the main line of the Denver & Rio Grande Railway Company at that point west of Lot 5, Block 10, Plat "A," according to a plat or map filed with and made a part of the petition for this franchise, and a part of this franchise.

Section 2. During the term of this franchise the grantee shall be subject to the following conditions, viz.:

That the said spur track shall be laid upon and conform to the established grade of said street, and if said grade is afterwards changed by ordinance of the City Council, the grantee shall, at its own expense, change the elevation of the track so as to conform to the same.

Whenever said street where such track is constructed shall be paved, then said grantee, its successors and assigns, shall pave between the rails and for a space of two feet outside of each rail, with the same material as that used in the street pavement.

Said grantee shall put in and maintain such crossings over said spur track as shall from time to time be required by the City Council.

The said spur track shall be laid, and the road operated so as to cause no unnecessary impediment to the common and ordinary use of said street upon which it is laid.

Good and sufficient boxes to convey water shall be laid and maintained in good condition at the expense of said grantee, in all the water ditches crossed by said spur track, so as to admit of free passage of water.

Section 3. Nothing in this grant shall be construed as to prevent Salt

Lake City or its authorized agents or contractors from paving, sewerage, laying gas or water mains or pipes, altering, repairing, or in any manner improving said street, but all such improvements shall be made with as little injury as practicable to said spur track and the operation thereof.

Section 4. The said grantee herein, its successors and assigns, shall, and by the acceptance of the privileges and franchises herein granted, and in consideration of the same, does bind itself, its successors and assigns, upon its acceptance of this franchise, to save said city harmless from all suits, claims, demands and judgments whatsoever, whether in lay or in equity, which shall be asserted, found or rendered in any manner whatsoever, against said city for injury or damage to abutting property or otherwise, by reason of the granting of this franchise or by reason of the operation of said spur track; and that the grantee herein, its successors and assigns, will pay the amount of any judgment, determination or adjudication which, in any suit or proceedings, may be or shall be found against Salt Lake City; provided, however, that said grantee, its successors and assigns, shall have had notice of any such suits, and an opportunity to appear and defend the same; and said grantee, its successors and assigns, shall appear in and defend all actions brought against Salt Lake City for any injury or damage by reason of the construction, operation or maintenance of said spur track.

Section 5. The franchise is granted for a term of fifty (50) years from and after the approval of this ordinance.

Section 6. Unless this grant and all the terms and conditions thereof shall be accepted in writing by the grantee herein within thirty (30) days from the approval of this ordinance, and unless said track be constructed within one year from the date of such approval, then this ordinance shall be null and void.

Section 7. This ordinance shall take effect upon approval.

Passed by the City Council of Salt Lake City, Utah, September 1st, 1908, and referred to the Mayor for his approval.

A SONNET TO THE CITY.

By Harris Merton Lyon.

The clean moon-floods the island town tonight,
The Park, St. Paul's, the tenements are blest

By the wan essence. See the Flat-iron's crest,
Fifth Avenue, the Bowery laved in light,—

All equally! The palaces of might
Are no more by that steady beam caressed
Than sickly Hester, foully packed and pressed.

The moon cares not; whate'er it gilds is right!

O million-mouth'd Manhattan, how you fret

Your way along ambitiously to tears,
While over you the big stars wheel sans heed!

Your rearing tower of stone is but a weed;

And all this life you vaunt shall even yet

Be level'd in the wash of ghostly years.

"Papa, what is a slum?"
"Where the majority live, my boy."

Get it out of your head that times are hard

Your business is what you make it—With our help
