beg to announce that it has increased facilities for bottling the American Beauty beer, which is admitted by all to be the best beer throughout this western country, having no equal in quality.

☞ The greatest attention has been given to the hygienic cleanliness of bottles and to the scientific sterilization of the beer, and all this same methodical care being used in every process of manufacture, has made the American Beauty Beer the favorite throughout the West.

☞ The fact that the bottling house is equipped with the finest and most up-to-date machinery can be demonstrated on inspection, and a cordial invitation is extended to all to come and see our up-to-date plant.

Respectfully,

☞ Magnificent high class models shown in Broadcloths.

☞ Neither pictures nor words can adequately impress you with the positively unprecedented values which are offered in this sale, the bare materials alone cost more by the yard.

☞ The warm Fall weather caused Eastern houses to cancel their orders which compelled the manufacturer to sacrifice his entire cape stock at a price lower than was ever known before.

☞ The saving on this purchase is all yours.

☞ We should like to have you see them, we know you would appreciate their beauty and elegance. They are beautifully embroidered and trimmed with exquisite Persian bands, etc., in a variety of novel effects.
