## The Republican as Viewed by the Leading Business Men of Utah

Salt Lake City, Utah, January 5, 1909.

The Inter-Mountain Republican,

Gentlemen: The undersigned, for all the members of the Commercial Club Traffic Bureau, desire to gratefully acknowledge the support of your paper and to express our high appreciation of the spirit behind your very able championship of our cause.

We wish to especially thank your editorial and staff writers for their efforts in the furtherance of a purpose so just as to be beyond question, since no man, or set of men, can reasonably request more or accept less than a "square deal" for Utah.

To that goal we confidently look forward, but, whatever may be the result of our labor, we hope to merit the confidence of all the people of Utah and with that end in view bespeak a continuance of your valued support.

Sincerely,

COMMERCIAL CLUB TRAFFIC BUREAU.
