TABLE D'HOTE MENUS AT THE LOUVRE.

Popular Luncheons and Dinners at the Attractive
Rathskeller.

We are serving the very best table d'hote luncheons and dinners to be found not only in this city, but in any city in the west, at the prices. The menus of both are changed daily and include everything in the market.

The regular lunch is served from 11:30 a. m. to 2 p. m. at 40 cents, and a table d'hote dinner with wine each evening from 5 o'clock to 8 for \$1.00. The courtesy of treatment you receive, the excellence in preparation of each dish that is placed before you and the air of welcome, and hospitality is just the same at the Louvre no matter what you pay. It is an invariably rule at the popular cafe that no favoritism shall be shown any patron, and the result is that the luncheons and dinners are crowded with those who know best how to live at a reasonable cost. The Louvre has a history now, and in the years during which it has provided for the wants of its patrons, the management has learned those things which can come only through closely observing the demands of those who wish to enjoy their meals in comfort and in pleasant surroundings.

The table d'hote service was an experiment a few weeks ago, now it is an assured fact, for it has proven that it has filled a want that has been lacking in this city for years.

THE BEST NEW YEAR'S RESOLUTION YET.

"Be it resolved by me, John Doe, that beginning with my next pay day, I will during the whole of the year 1909 deposit with the Utah Savings & Trust Company at least one-tenth of all my income and as much more as I can conscientiously spare, the same to remain in the said bank at 4 per cent per annum interest until actual and necessary needs of my family or myself render necessary the withdrawal of all or a portion of the funds so deposited. This resolution is not subject to repeal or amendment, except in case of accident, illness or other misfortune, which renders compliance therewith practically impossible."

Paste this resolution in your hat, studiously observe it, and when the year has rolled round come to the bank and tell the man at the window whether or not you are pleased with your performance.

Make our bank your bank.
