

THE SUMMONS.

One whose time was spent—
As the shadow flickered o'er him—
From the clefts where it is pent
Summoned the Sphinx before him.

"Intimate pulse of my heart—
Nearer than child or wife—
Now that our ways must part,
What can you do for me, Life?

"What are the things you have done?
You cast me out on the sands,
Meshed in a blind web spun
By dread, unthinking hands.

"Fettered here in the dark—
Yet drawn to the spheres afar,
You give us the glow worm's spark
And mock us with the star.

"You take the rose of love
And crush it in your hand;
In hard, cold ways you move—
We cannot understand.

"To our last dim lurking place
You bring the speller Death."
Over the Sphinx's face
Fluttered a smile's wan breath.
—New York Sun.

"America will be lonesome when
President Roosevelt is gone," says a
Cleveland. There was a man who
carved upon the tomb of his conten-
tious wife: "I'm lonely now—but
powerful peaceful."—Ohio Signal.

"Speaking of poetry, does the mod-
ern school make us think?" "Well,
it makes us hustle for the dictionary,
that is those of us who have any
curiosity at all."—Louisville Courier-
Journal.

Tourist—Why this extraordinary
exodus of sportsmen to Africa?
Captain—Oh, they're all in a blawsted
hurry. Want to get a shot at some

big game before that blawsted fellow
Roosevelt kills it all, y' know.—
Puck.

"Why don't women have the same
sense of humor that men possess?"
asked Mr. Torkins. "Perhaps," an-
swered his wife gently, "it's because
we don't attend the same theatres."
—Washington Star.
