The Salt Lake City Brewing Company

beg to announce that it has increased facilities for bottling the American Beauty beer, which is admitted by all to be the best beer throughout this western country, having no equal in quality.

¶ The greatest attention has been given to the hygienic cleanliness of bottles and to the scientific sterilization of the beer, and all this same methodical care being used in every process of manufacture, has made the American Beauty Beer the favorite throughout the West.

¶ The fact that the bottling house is equipped with the finest and most up-to-date machinery can be demonstrated on inspection, and a cordial invitation is extended to all to come and see our up-to date plant.

Respectfully,

The Salt Lake City Brewing Co.

JACOB MORITZ,
General Manager.
