The Salt Lake City Brewing Company

beg to announce that it has increased facilities
for bottling the American Beauty beer, which is
admitted by all to be the best beer throughout
this western country, having no equal in quality.

¶ The greatest attention has been given to the
hygienic cleanliness of bottles and to the scientific
sterilization of the beer, and all this same
methodical care being used in every process of
manufacture, has made the American Beauty
Beer the favorite throughout the West.

¶ The fact that the bottling house is equipped
with the finest and most up-to-date machinery
can be demonstrated on inspection, and a cordial
invitation is extended to all to come and see our
up-to date plant.

Respectfully,

The Salt Lake City Brewing Co.
