SALT LAKE CITY, UTAH, JULY 10, 1909.

No. 10

Copper Curb and Mining Outlook

5 Cents Copy

ISSUED WEEKLY

32 Pages

IT tells the man in Utah what is going on in Cobalt and other camps.

Is fearless, authoritative, and acknowledgely the most newsy up-to-date mining paper in the country, and unlike other mining papers published at New York and other eastern points, is working in the interest of the mining business and is not a promotor in disguise.

On sale at the Knutsford, Wilson and Kenyon hotels, and at the Rosenfeld & Ludwig street news stands.
