Front porch 30 ft., by 10 ft., sleeping porch. Large bath room, cabinet kitchen, full basement, hot water heat, gas and electric lights. Price \$7500.00.

No. 387 10th Avenue. Modern six room pressed brick bungalow. Living room 14 x 27 in center of house, mission fire place. Large bath room, two clothes closets, full basement, furnace, gas and electric lights. Front porch 35 ft. by 9 ft., back porch screened in. Price \$4500.00.

A new type of architectural beauty is the old Spanish mission arch, which has been installed at the head of Hamilton Place, running north from Sixth South between State and Second East Streets. The arch overlooks one of the prettiest residence streets in the entire city. On both sides are modern red brick bungalows, several of which have been sold and are now occupied. The modern improvements in Hamilton Place and its close proximity to the business district make these houses especially desirable for homes.
