## DON'T BE AFRAID.

Don't get it into your head that during the coming week or two, when the big crowds are here, that we can't accommodate our many friends at luncheon, dinner or after the theatre, giving them the same excellent service for which this cafe is noted from one end of the country to the other.

We have in every way anticipated the demands that will be made upon us, and have secured a double crew in every department for day and night in order to serve our customers in the same way that we do when no unusual events are transpiring locally.

We also wish to call attention to the fact that our menus will be just as complete each day, in spite of the rush, as at any other time of the year, and all the delicacies of the season will be

provided, together with our new imported beers and anything else anyone wants to drink.

Patriotic music, appropriate to the occasion of the coming of the veterans, will be one of the many features of the day and evening musical programs.
