

of friends at the Orpheum Tuesday in honor of Miss Millspaugh.

An interesting piece of news which came from San Francisco was that of Mrs. M. H. Kervin, who announced the engagement of her daughter, May, to William Woodburn, of Reno, Nevada. The wedding will take place the coming week. Miss Kervin, who has visited here a great deal, has a large number of friends in this city.

Mrs. A. H. Prosser and Miss Margaret Walker entertained a jolly party at Idlewild on Sunday evening at a buffet supper. The affair was in honor of Miss Shirley Palmer, who is the guest of Miss Dunn, and was attended by thirty guests.

Miss Carey Marshall will return from Lake Tahoe the last of the month.

Miss Virginia Beatty and her guest, Miss Florence Whitney, of Boston, have returned from the Chapman ranch in Wyoming.

On Tuesday evening, Lieutenant Paul C. Potter was host at a stage party at the Post, his guests being a number of brother officers.

Hugh Williams gave a dinner at the Country Club Wednesday evening to a number of his friends, Miss Palmer, of Toledo, Ohio, being the honored guest.

FOR THEATRE PARTIES.

In the arrival of the new opera coach, recently brought here by the Home Carriage Company, theatre parties will find a great convenience, as by the use of this the necessity of a box party taking two or three carriages is eliminated.

It is beautifully finished, a handsome vehicle in every way, the only difference between it and a carriage being that it is much roomier, providing ample space for six or more people.

The arrival of the opera coach is simply a forerunner of several other equipages which have

been ordered by the same company, one of the handsomest being a carriage finished in silver gray, and lined with satin in the same color scheme.

FINE CAMPING PLACE.

A good many people would like to get out of town for a few weeks, but do not know where to go; that is, they do not know where they can go and have green grass and trees and a good place to camp without they select some expensive place.

Such people may be glad to know that right here in the valley, twelve miles from the city, a mile and a half below the mouth of Big Cottonwood, R. Knudsen has a park of fifty acres, with the Cottonwood running through it, lots of trees, lots of grass, cold water, which can be reached in two hours by team or forty minutes by automobile, where all the surroundings are pleasant, where all the usual necessities of life can be obtained cheaply—just a camping place—no beer there, no whiskey, no company except such as one pleases to select—all the comforts of a home if you please to live in a tent and take your tent with you.

Until a railroad is built, people without teams cannot get there, and we suggest to people when they are out driving or out with their autos that they run up and see this place, because it is one of the most beautiful natural parks in the entire valley.
