

**No. 453 C STREET.** Modern two story, fire brick, stone foundation dwelling—eight rooms—reception hall—conveniently planned and furnished with every modern improvement—front porch 30 feet by 9 feet—large bath room—cabinet kitchen—full basement—hot water heat—gas and electric lights. Price, \$8500.00.

**SLEEPING PORCH.** This photograph shows the screened porches in the rear, the one upstairs designed for a sleeping porch—the latest improvement for health and convenience—almost a necessity in the Utah climate—no modern home complete without one. From the upper porch on a clear day may be seen Salt-air and the intervening valley.

**CHARMING INTERIOR.** Finished in antique mission, with mission staircase—box windows—paneled walls—large mission fireplace in the living room. The photograph shows the reception hall, living room and dining room. Note particularly the half partitions, wall decorations, and large windows on stair landing. Four of these houses are for sale, all arranged for your comfort and convenience.
