JOHNSON SIGNS ALIEN LAND BILL

California Executive Attaches Signature to Measure Regardless of Remonstrances of the President and Secretary of State, and the Violent Protests of Japan

ACT GOES INTO EFFECT WITHIN NINETY DAYS

United States Will Deliver the Reply to the Japanese Note as Soon as the Official Notification of the Signing Has Been Received—Wilson and Bryan Hold a Short Conference

Sacramento, Cal., May 19.—Governor Johnson signed today the alien land bill, against which Japan protests and which the California legislature passed by an overwhelming majority over the remonstrances of President Wilson and Secretary Bryan. The act will go into effect 90 days from date, or on August 17.

Johnson's Statement. Sacramento, Cal., May 19.—Governor Johnson, after signing the bill, gave out the following statement: "I repeat what I have before said: That California for the first time in its history has an anti-alien law. Any man who wishes another kind of law may consistently invoke the initiative. No man who really wishes an anti-alien law will sign a referendum as to this law."

Wilson and Bryan Confer. Washington, May 19.—Now that Governor Johnson has signed the anti-alien land law against which Japan is protesting, the next stage in the diplomatic negotiations will be the formal delivery of the reply of the United States to the Japanese note. The communication has been considered by President Wilson and the cabinet and it is understood that it will be held until the Japanese ambassador arrives to await Governor Johnson's signing of the bill.

When Secretary Bryan heard through the news dispatches that Governor Johnson had signed the bill, he went over to the executive offices for a short conference with President Wilson. When he came from the president's office, Secretary Bryan announced that the formal reply of the United States to the Japanese protest would be delivered as soon as official notification of the signing of the bill had been received. Mr. Bryan expects a telegram from Governor Johnson.

PENALTY FOR A MURDERER

"Happy Jack" Mulroney Goes to His Death With a Smile on His Face—Bids Good-bye to Becker and Gunmen Inmates of the Death Cells

Ossining, N. Y., May 19.—John Mulroney, who was to have been put to death as a murderer on March 17, but won a sixty-days reprieve by declaring in an appeal to the governor that he was going to his death as the martyr of a criminal "code of honor," was electrocuted at Sing Sing prison early today.

AIR, SEA AND LAND BATTLE

Attack on Guaymas May Be One of the Most Spectacular in History of Modern Warfare—Rebels Smuggle a Second Aeroplane Over the Border

Nogales, Ariz., May 19.—The projected attack by Sonora state troops on Guaymas may take the form of a land, marine and air battle, made possible by the crossing into Mexico during last night of a complete aeroplane. A special train from the direction of Naco and bearing the machine arrived at Nogales, Sonora, today and was hurried south. The Mexican gunboat Guerrero lies in the harbor ready to assist the federal garrison.

After the confiscation of his aeroplane below Tucson Didier Masson, a French aviator, escaped into Mexico and since has been awaiting the arrival of the second machine. It is said that the machine which crossed last night is the second of a series of five contracted for by the insurgents state government.

JORDAN FOR CHANCELLOR

Stanford University President Resigns to Accept the Newly Created Office—Professor John Caspar Branner Will Become Head of the School

Stanford University, Cal., May 19.—Dr. David Starr Jordan, president of Stanford university, resigned his position today, to accept the office of chancellor, which will be created by the board of trustees next Friday for his special benefit. The announcement was made by Dr. Jordan to the student body in the course of an address he delivered today during the commencement exercises on "The Conquest of Europe by America."

EXUM GETS BIG PLUM

President Wilson Appoints Former Ogdenite as United States Marshal for the Third District of Alaska—Made Big Record in Utah

Washington, May 19.—President Wilson today nominated Emmett R. Jordan to be United States marshal for the District of Alaska, division No. 2, and Edward W. Exum for the District of Alaska, division No. 3.

E. W. Exum, for many years a resident of Ogden, was deputy United States marshal of Utah in 1892 and 1896. During his term of office he made a record in running down many criminals. His brief announcement was followed by an explanatory statement by Professor John M. Stillman of the department of chemistry. "For 22 years," he said, "Dr. Jordan has been the inspiration of Stanford university. What it is, is due largely to his high ideals, his breadth of view and his warmth of sympathy."

DISSOLUTION OF MERGER

Representatives of the Union and Southern Pacific Railroads Are Trying to Reach an Agreement Which Will Be Satisfactory to Government

Washington, May 19.—Representatives of the Union and Southern Pacific railroads are striving to formulate a plan of dissolution of their merger which will be mutually satisfactory to the two interests involved, according to advices received today by Attorney General McKeen from New York.

The attorney general was in touch with the situation over the long distance telephone. Officials here were unable to state whether there was prospect of an agreement between the two roads. The attorney general has advised them that, as he views the situation at the present time, the Central Pacific railroad should be divorced from the Southern Pacific in the plan of dissolution. His decision in that connection, however, is tentative.

ARRESTED AND HELD FOR TRESPASS

Joseph Rio, a Mexican youth, 19 years old, was arrested at 2:30 o'clock this morning in the basement of the Wilson brothers store, at Wall avenue and 28th street, and was charged with trespass.

The store is in an unfinished condition and the Mexican had evidently taken the place for suitable lodging quarters. He had built a fire of wood scraps and was found asleep when the arrest was made. Detective Tom Burke, Sergeant H. E. Peterson and Patrolman Dan Sullivan.

PASSENGER ON S. P. TRAIN DIES

Knowing that he could live but a few days longer, J. H. Bronell, accompanied by a nurse, Miss Anna Egan, left Tonopah, Nev., for his home in Hay Springs, Neb., but died this morning near Lucin upon a Southern Pacific train. The body was taken in charge by the Kirkendall Undertaking company at Ogden and will be prepared for shipment to his home.

Mr. Bronell was 65 years old and was a large, well built man. He had been a sufferer of heart trouble for some time and when he felt that he was dying he left Nevada. On the way he told Miss Egan that he felt he could not stand the trip, but the nurse encouraged him to remain hopeful. The attack which caused his death occurred after the train had left Lucin and was about to cross the lake.

Professor Branner, the new president, has been at Stanford since 1892 and is a life-long friend of Dr. Jordan. Before that he was at various times, since graduating from Cornell, professor of geology in the Indiana state university, state geologist of Indiana and in the service of the Brazilian government as a geologist.

TRACE DOWN STOLEN COIN

Saloonmen Exchange More Than \$100,000 of Currency Taken From British Columbia Bank For United States Money—Chicago Detective Working

Chicago, May 19.—Almost \$100,000 of the \$271,000 in Canadian money stolen from the branch of the Bank of Montreal at New Westminster, B. C., has been exchanged for United States currency by Chicago saloonkeepers, according to the assertion of the superintendent of a detective agency, made last night. Michael J. Flanagan, proprietor of a saloon, was arrested early yesterday morning, when two men accused him of giving them Canadian money to exchange. Three other saloonkeepers are under surveillance and arrests may result.

William J. Lawler and Charles O'Leary, arrested on Saturday night, charge Flanagan with being the receiver of part of the stolen money. Lawler asserted he received \$45 in bills from Flanagan on Wednesday afternoon. The money finally reached the local branch of the Bank of Montreal and was traced back.

Three of the robbers who tunneled into the vault of the Westminster bank are in prison awaiting trial. The fourth member of the gang is hiding in Chicago, detectives say, and it is from him that Flanagan is said to have obtained the money, which was given to Lawler.

WIDOW IS A WITNESS

Washington, May 19.—Mrs. Helen D. Longstreet, widow of the noted Confederate general, has a hearing before the senate postoffice committee today to give her version of the circumstances leading to her displacement as postmaster at Gainesville, Ga. Mrs. Longstreet did not ask reinstatement but sought to reply to Postmaster General Burleson's statement that her office was poorly managed. She referred to Mr. Burleson as "President Wilson's sixty-day postmaster general."

Mr. Longstreet declared that she was the victim of the Georgia Railway and Power company, which, she said, had pursued her because she urged legislation to "curtail its favors." She presented a long list of endorsements of her administration and asserted that the people of her community who knew her were more competent to judge her than the postmaster general. "The immortal commander, whose name I bear, resigned a commission in the American army to follow the banners of the South until the last Confederate general, had a hearing before the senate postoffice committee today to give her version of the circumstances leading to her displacement as postmaster at Gainesville, Ga. Mrs. Longstreet did not ask reinstatement but sought to reply to Postmaster General Burleson's statement that her office was poorly managed. She referred to Mr. Burleson as "President Wilson's sixty-day postmaster general."

SCHOOL GARDEN INVADDED BY CIRCUS

The high spirits and enthusiasm that is found in the youth of the city on a circus day was damped in one section this morning when the students of the Lewis school, on their way to their morning class, found that the circus had selected their school garden.

After taking a hasty glimpse of the damage done, the students hastened to their school and notified their teachers of what had occurred. The teachers notified Supt. J. M. Mills and the superintendent paid a visit to the grounds who found that the garden had been totally destroyed. The furrows had been flattened and the plants which had just broken through the ground a few days ago had been trampled down.

Louis Peery stated this afternoon that the estate gave the students permission to use the ground only on condition that the place could be rented or sold at any time. Mr. Peery stated that his brothers objected to letting the lot until Principal John W. Wintle of the Lewis school stated that should any opportunity of renting the ground arise, the school would raise no objection.

Supt. Mills said: "Inasmuch as the Peery estate generously allowed the children to have temporary possession of the grounds, it would be ungenerous of us not to admit that the Peerys had a right to take it back, but I regret that we were not given sufficient notice so that we might have made other arrangements for the circus or have paid the equivalent of the rental obtained from the circus."

WORLD'S MARKETS

Chicago Grains. Chicago, May 19.—Wheat developed firmness today in view of an expected good decrease in the visible supply statement. Bulls also asserted a belief in a continuance of premiums for old wheat until the movement of the new crop becomes free. Steadiness of cables tended further to discourage the bears. The opening was unchanged to 1-8@1-4c lower. July started at 88-3/8 to 88-3/4c, touched 88-1/2@88-5/8c, and then advanced to 89@89-1/8c.

TODAY'S GAMES
