KNIGHT DEFEATS THE IRRIGATORS BY 3 TO 1

"Kitty" Knight came back strong in Saturday's game against the Irrigators, but for an unlucky throw over first base, would have had a shut-out to his credit. This slip came in the seventh inning and through it, Boise got over one run. In the nine frames the big Cannor allowed 9 hits, but kept them well scattered. He presented no passes and came out with five strikeouts added to his record. He was helped out by his teammates to the extent of three runs, which proved sufficient to pull down the game.

Kuss, the Irrigators' new pitcher, was Knight's opponent. The Cannors were only able to find him for 6 safe ones, all singles. He equalled Knight on the strikeouts, but was away off on control, allowing 9 passes and hitting one Ogdan player. The game was played in cold weather and the crowd, probably deeming the circus tent a warmer place than the ball park accommodations, for the most part hid itself off to see the animals.

The Salt Lake team was forced from the first position in the percentage column on the same day by dropping both games of a double header to the Butte club. The scores were 4 to 3 and 9 to 4. The first was a pitcher's battle, between Halla and Schultz. The latter held up well until the seventh when as usual, he had not only one bad inning, but two, and the Ducks landed on him for 2 runs in each of them.

With heavy hitting and good base running, Butte won the second game hands down.

The Murray-Helena game at Salt Lake was postponed on account of rain.

Saturday's score at Boise was:

WOMEN, ARRESTED BY OFFICERS, HELD ON SERIOUS CHARGES

Mrs. Bessie Ryan was arrested for the second time within twenty-four hours, Saturday night, by Detectives Burk and Chambers and Sergeant Hutchins. The arrest was made at the Annex rooming house, where she was found with a man who gave his name as James Hamilton and residence Salt Lake. The woman was booked on a charge of vagrancy, and was released later in the evening on \$50 bail. The man was held as a witness.

Edith Carjis and Dollie Hayes were arrested last night on charges of drunkenness by Officer William Brown. The Hayes woman was released on payment of \$5 bail. Edith Carjis was the wife of Frank Carjis, who was killed some weeks ago by Peter Demetre.

POPULARITY OF BIBLE COMPARED

For his morning sermon, yesterday, Rev. Rassweller of the First Methodist church chose as his subject, "The Supremacy of the Scriptures," and in his discussion brought out some forcible truths concerning the wide margin of popularity of the Bible over other books. In part he said: "The Bible means The Book, not a book but The Book, i. e., the supreme book of all literature. The novelist Walter Scott was dying and said, 'Read me from the book.' 'What book?' they asked. 'The Bible—there is but one,' he said. President John Quincy Adams said, 'The first and almost the only book deserving of universal attention is the Bible. The Bible is the book of all others to be read at all ages and in all conditions of human life.' So we find that this book has become the best known book in the world. It has been translated into 360 languages, while no other book has been translated into more than twenty. Nineteen million copies are sold each year, which is five times as much as the combined sales of five of the most popular novels.

"Weary seekers of the best Come back weary from our quest And find all the sages said Was in the Book our mothers read." Holy Bible. The Bible is holy because it came from God, and also because it exerts a holy influence upon human character. "Every time I read you Kills a sin Or lets a virtue in To fight against it." Even the skeptic Huxley declared the Bible to be the best book for the cultivation of morals, and declared that he knew of nothing that would take its place in the education of the child. And yet we have taken the Bible out of our public schools, where we are trying to develop character. But how well do we call a part of the Bible the Gospels, or the good news. What good news the Bible brings to us of God's good will to us—the good news of the coming of the Savior, of God's love for fallen man, of the atonement or sin, of the resurrection of the dead, and the good news of our inheritance in the city of light.

The sermon closed with an appeal to give more attention to careful Bible study, especially to send children to the Union Vacation Bible school to be opened in the basement of the Methodist church the 15th of June to meet from 9:30 a. m. till noon five days a week for three weeks. It will be divided into three groups under excellent instructions and will be of great profit. Further announcements will be made later. The evening service was given to the reading of the story of the "Pink Rose," while the music illustrating the story was rendered by a mixed quartette—Mrs. Laird and Rosamond Laird and Messrs. Holberg and Reeves. It proved very interesting and helpful.

PRESIDENT SMITH AT DEDICATION OF A MEETING HOUSE

The new Hooper meeting house was dedicated yesterday afternoon by President Joseph F. Smith, the dedicatory prayer being included in a most impressive and beautiful program. The other speakers at the service were Apostle Joseph F. Smith, Jr., representing the quorum of the Twelve Apostles, and Presidents L. W. Shurtliff and F. Middleton of the Weber stake. All of the speakers congratulated the people of the Hooper ward on the success that had attended their efforts to secure a new meeting house and hoped that their efforts would be appreciated by the younger generation. They also spoke to some extent along doctrinal lines.

More than 700 persons attended the service and in addition to the addresses made by the prominent churchmen, a special musical program was rendered by George and William Manning and the ward choir.

President Joseph F. Smith was also present at the Sunday school session in the morning and made a brief address. This session was also largely attended.

The additions to the meeting house were constructed at a cost of \$10,000 and consist of two annexes, one at each end of the building. They are arranged so that they can be used as class rooms or as adjuncts to the main auditorium. The improvements also included the installing of an electric lighting system, a heating plant, and new art glass windows.

The dedication ceremonies were presided over by Bishop James R. Beus, who, assisted by his counselors, C. G. Parker and L. E. Oleson, acted as an executive committee for the securing of funds to pay for the improvements. The work was begun about a year ago and is now all paid for.

WEBER CAMP TO HAVE BIG TIME

Weber Camp No. 74 is to have an outing at Plain City next Wednesday night. The program will include a dancing party and a drill by the degree team.

The camp is also anticipating with much pleasure to the big demonstration which it will make in Ogdan on the evening June 14. This affair will be the culmination of a membership campaign which has been in progress for the past two months or more and, at the meeting, which will follow the public celebration, a class of 100 candidates will be initiated.

The initiatory work will be done by the local officers, assisted by Officers of the head camp.

Consul Cook and his associate officers are expected to arrive in the city early in the day and a special committee from Camp 74 will entertain them with an automobile ride through Ogdan canyon and a dinner at the Hermitage. Their return from the canyon, they will be given a ride around the city.

The public demonstration will consist of a parade of large dimensions and many novel features and the entertainment attendant upon the initiation ceremonies, it is said by the committee, will be well worth anyone's time.

PA'S EXPLANATION.
"Pa, what do people mean when they talk of laying up something for a rainy day?"
"A rainy day means hard times, my son."
"Why so, pa?"
"Because, I suppose, on a rainy day there is no dust in sight."

WHERE ODD THINGS HAPPEN.
"Had a queer dream last night."
"Tell it."
"I dreamed that I made an appointment with myself and when I got to the place I was gone."
