A GOOD PLACE TO TRADE

## The Store Cleans House

July is the month of clearance. Since the first of January new goods have been coming in—going out. July is the middle month of the year—the space between summer and fall.

Full goods are not yet here—the stocks on hand represent the tag ends of the spring and summer selling. Sometimes you ask: "Why these summer reductions?"—and that is the reason; we have finished the first half of the year—the goods still here are the "left-overs." Unless we clear out stocks now at drastic reductions, these same goods will probably be here until next season. July Clearance means more cash for fall bills—more room for fall goods. July Clearance also means the year's best savings to our customers.

## 1.98 Summer Millinery

in values to : \$7.50  
July Clearance Prices apply to all millinery. One of the best attractions will be a line of trimmed hats in the newest summer styles, while hats included—hats which are of the actual \$7.50 values. There will be a great assortment to choose from at \$1.98
