WASHINGTON, Jan. 15.—Mr. Calvo, the Costa Rican minister, today made a statement regarding the dispatch from Mobile, Ala., saying that the American banana company had asked the State department to intervene in its behalf on account of alleged interference by the Costa Rican Government with the company's operations in the territory now belonging to Panama, but at one time under the jurisdiction of Costa Rica.

Statehood Bill to Occupy the Senate

Until It Is Out of the Way Other Measures Will Have to Remain on the Sidetracks.

WASHINGTON, Jan. 15.—The intention is to keep the Statehood bill to the front in the Senate during the present week, with the hope on the part of its friends that by the end of the present week they may be able to get a vote on this. Thus far the opponents of the measure have held out stubbornly against naming a day for a vote, and while they do not say in explicit terms that it is their intention to filibuster against the passage of the bill, it is evident that unless a compromise can be reached for the elimination of Arizona from the measure they will make an effort to prevent a vote before the close of the present session.
