

FRANK B. COOK ON COLORADO-SIOUX

Greatest Ore Body Mining Engineer Ever Saw in His Experience.

NATURE MADE RECORD FOR HERSELF WITH IT

Details Given About Sioux Mine Which Will Be of Interest.

"The Colorado ore body as developed in the Colorado mine is the greatest body of ore I ever saw anywhere, and if nature wanted to make a record when she deposited that ore there, she certainly succeeded. In all my experience in Tintic this is the first time in my knowledge that the stock of any proposition is selling for a lower price than the actual resources of the mine are worth."

PIOCHE METALS CUTS DOWN BONDED DEBT

By a diligent effort to corral all the stock possible of the Pioche Nevada Mining company, the property of which was purchased by it, the newly organized Pioche Metals Company is reducing the amount of the bond that now stands against the company by virtue of this purchase.

UNCLE SAM LOOKING BETTER AT GOOD DEPTH

The directors of the Uncle Sam Consolidated company met yesterday afternoon for their usual monthly discussion of company affairs, and at which was presented a very encouraging report relative to the latest developments from Superintendent Geiges.

WASHAKIE ORE HAS VERY GOOD GOLD VALUES

Some very gratifying assay returns were received yesterday by the local officials of the Washakie Nevada company on the samples brought to Salt Lake early last week by General Manager Edmonds.
