The New Way to Sell Things

Instead of you trying to find a buyer for your old clothing and furniture, cash buyers are looking for you. The way they look for you is in Tribune Want Ads. Read them now and see. You will learn who will pay good prices for the things you have been so anxious to sell.

Don't think because your old clothing is a little worn or out of style that it has lost its value. Many people make a business of dealing in this class of goods. They pay good prices, too.

You can sell furniture, even if it is broken; old style folding beds, old model sewing machines bring good prices. Many people are anxious to buy relics, old newspapers containing important items, and so on. Read Tribune Want Ads now. Answer those that interest you. The buyer will call at your home prepared to pay cash for whatever you have.
