

DOLT ARRANGED FACTION CHIEFS

Seeing They Have Not Votes Enough to Control Convention, They Decide on Radical Action.

(Continued From Page One.)

physical fight began on the floor of the convention, and then carried to the platform.

Borah Opposed to Rough Work.

It is but fair to Senator Borah to state that he is opposed to that programme.

Victor Rosewater is to be important only as the chairman—now of the national committee.

Rosewater, by custom, is to call the convention to order and be in command until a temporary chairman is chosen.

But he is to be only the vocal chairman, the real acting chairman is to be Herman F. Sawyer, assistant chief of police of Chicago.

It will not be from Rosewater, but from Schuetter, that Borah will have to snatch the gavel.

Schuetter will have at his back and around him 100 picked plain clothes men.

Force Intended. There is the schedule of the primaries for the first battle.

The battle, if it comes, will start even before the election of a temporary chairman.

Colonel Roosevelt's demand is this: That the delegates against whom his forces have been directed.

Hadley to Begin Fight. Five minutes after the convention is called to order the fight will start.

Plan Is Roosevelt's. And so determined is Colonel Roosevelt to carry out that plan that he has given to Governor Densen as the alternative to accepting his share of the burden of carrying out the Roosevelt plan.

Let it be understood that so close is the count of noses by the Rooseveltians themselves that they regard the consolidated co-operation of Illinois as essential to the success of their plans.

And when the eight hours' struggle in the Illinois delegation was ended, no man was sure just why the Roosevelt will do when it gets on the floor of the convention.

Governor Densen claimed that no more than eight of the fifty-eight would back away from the full Roosevelt programme.

Texas to Lead Battle. But it is Texas that is to lead the real battle, when the time comes for force.

There are other details of the Roosevelt plan. First of all, the doors of the convention hall are to be formed so that can be effected.

But anyone who guesses that the Taft leaders have made no preparations to stop the Roosevelt tide is mistaken.

BATTLE BEGINS AFTER OPENING PRAYER IS MADE

Governor Johnson of California Promises Lively Time in Republican Convention as Soon as the Blessing Is Asked.

BY EDWARD H. HAMILTON.

CHICAGO, June 17.—"If there is to be a prayer, that prayer may get through in peace.

So declared Governor Hiram W. Johnson of California this evening when asked how soon the clash would come in tomorrow's convention.

"Will California lead the fight?" was a natural question.

"I don't know that California will lead the fighting," was the reply, spoken reluctantly and regretfully.

Refuses to Give Plan. "As to the plans for the contest, I am not at liberty to speak," replied the governor.

"There is no man in Chicago tonight who knows that," put in Francis J. Heney, who was with the governor.

Committee Attacked. We denounce the fraud by which the discredited majority of the Republican national committee has made up a temporary roll of the national convention.

Strenuous Reception. CHICAGO, June 17.—Colonel Roosevelt's reception to the Roosevelt delegates and alternates today was the most strenuous experience he has gone through since he reached Chicago.

Lineup in Illinois. CHICAGO, June 17.—At a second caucus tonight forty-one members of the Illinois delegation voted to support any candidate for temporary chairman presented by the Roosevelt faction.

Preparing for Bolt. CHICAGO, June 17.—The Oklahoma delegation today recognized the possibility of a bolt.

Will Ignore Taft Pair. The Roosevelt Californians will entirely ignore the presence of Tryon and Meyerfeld.

Issues in California Case. The national Republican committee has refused to recognize the credentials of the secretary of the state of California.

District a New One. The congressional district is a new district, but the election was held under the law in the old precincts.

Says Contests Law. It will be seen that the contest was not against the election of those delegates, which was understood.
