## DEMAND FOR FACTS MADE BY BRITONS

### They Resent Secrecy of Foreign Policy of Government.

London, November 20.—British foreign policy may be on the threshold of a new and most important phase. No statement regarding dealings with other nations has for many years been awaited with such great interest as the one Mr. Asquith, the Premier, has promised the House of Commons that Sir Edward Grey, the Foreign Secretary, will make.

The certainty which every one now admits that England was within a hair's breadth of going to war against Germany to support France in the Moroccan trouble and the government's apparent consent to Russia's advance upon Persia has raised a great storm of criticism. This will take the form of denunciation of the extreme secrecy with which the foreign affairs of the empire have been conducted the past decade, and more particularly since Sir Edward Grey took charge.

Liberal Press Critical. An important fact in this agitation which has sprung up within a week and has taken on great impetus within the past twenty-four hours is that almost all the Liberal newspapers, which are the government's strongest supporters, are leading it, while the conservative journals either join in the outcry or maintain silence.

The agitation has been crystallized into a demand that both Parliament and the country should immediately be

### ACTION BY GRAND JURY.

Several indicted for Alleged Violation of Election Law. (Special to The Times-Dispatch.) Norton, Va., November 20.—The grand jury of Judge Skeen's court, in session at Wise, has returned indictments against several persons for alleged violation of the law in the recent election. C. G. Duffey, postmaster at Staunton, and one of the election judges at that precinct, is among those indicted. Wise county had the cleanest election this time that has been held for years, but there seems to have been some violations of a more or less serious nature.

## from that institution would be here for Samuels to-day were received late yesterday afternoon by Sheriff L. H. Kemp.

For years "Cyclone" was not only a notorious, but a picturesque figure of Henrico county. For twenty years he served as a constable, and not until the last Democratic primary was he defeated for that office. It is believed by many that the slaying of his son was due to a mania which developed as a result of his defeat as a member of the constabulary. After the election, when it was found that his opponent had the greatest number of votes, there was a noticeable change in the mental condition of Samuels.

The shooting, which cost the life of his son and brought about the indictment for murder, took place in the stable of Samuels' home in Varina District. The father has always maintained that the shooting was accidental; that a revolver which he was carrying fell from his pocket, was discharged, and that the bullet pierced the stomach of his boy, inflicting a

## MAN WHO REFUSED GOULD'S \$60,000 ORDER

William H. Moon, Famous Nurseryman, Declined Millionaire's Offer Because It Was Sunday.

Trenton, N. J., November 20.—William H. Moon, the founder of Moon's nurseries, in Morrisville, Pa., just across the Delaware River, dropped dead on the street here of heart disease.

Moon is the man who refused a \$60,000 order from Mr. and Mrs. George Gould when the pair went through the nurseries one Sunday many years ago. Mr. Moon received them as guests and showed them around. They then gave the order for \$60,000 worth of trees, and were indignant when Mr. Moon declined it because it was Sunday.

After some months had elapsed Mr. Gould sent in the order, this time on a weekday, and it was promptly filled.

Mr. Moon served on the school board of Lower Kakefield township for many years. He was an orthodox Quaker.

## SPECIAL MATINEE GIVEN BY SAVAGE

Accedes to Demand When Grand Opera Tickets Were Gobbled Up in One Day.

Although every effort was made yesterday to guard against that evil, Manager Wise, of the Academy of Music, has warned the public not to be deceived by ticket scalpers, many of whom hoped to reap a harvest out of "The Girl of the Golden West," which comes to the Academy of Music next Monday, matinee and night.

Henry W. Savage telegraphed from New York last night that he would put on the matinee in view of the big demand and the appreciation shown by music people for grand opera in English.

When the sale opened yesterday morning the usual big line was there, many people having stood in the street since 5 o'clock. One or two persons endeavored to get blocks of tickets, but they failed to do so, and Mr. Wise says that if the scalpers are in the market they got there by having persons buy two tickets at a time. Many blocks orders have been received from nearby towns, one female college calling for fifty, but under the house rules these applications were turned down for obvious reasons. To have sold out the house in that manner would have been unfair to Richmond people, according to the Academy idea.

Savage Appreciative. When Mr. Savage was advised last night that practically every seat for Monday night had been sold he agreed to give the matinee. In doing so he
