UNITED CEREAL MILLS, LTD., QUINCY, ILL., U.S.A.

To the Mothers of American Boys and Girls

Teach your children the lessons to be learned from the life of the "Father of His Country"—George Washington.

The life of this great American is the best example of wholesome, noble, truthful living in the history of our country, and our children should be taught the value of truthfulness, patriotism and devotion to principle.

Impressions made upon the minds of children are lasting, and always influence their future lives.

How important then it is that we furnish them only the best mental as well as physical food, that their minds and bodies may be sound and wholesome.

REMEMBER: The boys and girls of to-day are the men and women of to-morrow.
