## "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. **Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery.** It cleanses and purifies the blood, thereby curing pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pills regulate and invigorate stomach, liver and bowels.

## A Reliable Remedy FOR CATARRH

**Ely's Cream Balm** is quickly absorbed. It cleanses, soothes, heals and protects the diseased membrane resulting from Catarrh and drives away a cold in the head quickly. Remedy for the Soreness of Throat and Sore Eyes. 50 cts. at Druggists or by mail. Ely's Cream Balm for use in atomizers.

## ANTI-CLERICAL POLICY.

The present Italian cabinet formed by Signor Luzzatti, with the support of the radical party, will probably initiate an anti-clerical policy. The under secretary of posts and telegraphs, in a recent speech, said the radicals were determined to vindicate the rights of the state from those of the church and the papacy, and to undertake an antagonistic policy toward the Vatican. Evidently the gov-

## STEEL SLEEPING CARS.

Atlanta, Ga., April 13 (Special)—Seventy all steel sleeping cars of the most modern type, electric lighted and equipped with every device for the comfort and safety of passengers which the ingenuity of the world's leading car builders has brought out, are now being constructed by the Pullman Company on its Southern Railway Company on its through trains from the South to New York city. It is expected that these cars will be ready in September or October of this year and as soon as they are delivered to the Southern, the company will operate its through trains to New York which now stop at Jersey City, into the magnificent new terminal of the Pennsylvania Railroad Company on Manhattan Island, located between 7th and 8th avenues and 31st and 33rd streets.

## IN LOVE WITH BLACKS.

A curious scene occurred in Berlin when a troupe of black Senegalese, who had been playing for months at a music hall in Unter den Linden, left the city through trains from the South to New York city. It is expected that these cars will be ready in September or October of this year and as soon as they are delivered to the Southern, the company will operate its through trains to New York which now stop at Jersey City, into the magnificent new terminal of the Pennsylvania Railroad Company on Manhattan Island, located between 7th and 8th avenues and 31st and 33rd streets.

## FATALITIES IN FAMILY FEUD.

Two dead, one dying and probably one or two others slightly wounded, are the fruits of a Sunday afternoon battle in a family feud of long standing late yesterday in Emmanuel county, Ga. The dead are A. S. Collins, a well-to-do farmer, and his son, Wilson Collins. Marion Lewis is so badly wounded that he is expected to die at any moment.

## CRACKSMAN KILLED.

James, alias "Reddy," Gallagher, who participated in the robbery of the Manassas National Bank on November 12, 1904, met his death in an attempted robbery in Philadelphia last Thursday. The other parties who participated in the robbery of the Manassas Bank were Frank Burns, Edward Fitzpatrick, Robert Casey, William Smith and James King. Burns, Fitzpatrick and Casey were tried and convicted in the Circuit Court of Prince William county and sentenced to terms in the penitentiary. Smith was tried and acquitted. Gallagher, together with Burns, Fitzpatrick and Casey were apprehended in Richmond, and Gallagher was released upon the certificate of a physician that he was dying of consumption. Gallagher was considered one of the chief conspirators in the Manassas bank robbery, and from the evidence available a strong case could have been made against him.

## COURT "HIS ON" BIG HAT

Henry Curtis Bennett, a Bow street, London, magistrate, tackled the matinee hat question yesterday and decreed that the management of a theatre has the right to eject women patrons who refuse to remove their "cart-wheel headgear." The action had been instituted by Mrs. Blanche Cardley, a writer, who charged Frank Curzon, manager of the Prince of Wales Theatre, with a technical assault. Mrs. Cardley attended a matinee wearing an enormous hat. A man who had the misfortune to be seated just behind her found his view of the stage obscured, and insisted upon the removal of what he styled "the ridiculous thing" worn by Mrs. Cardley. The latter, irritated by the man's manner, refused. The manager invited Mrs. Cardley into the corridor for a discussion of the matter, and when she remained firm in her refusal to comply with the practice of the theatre he would not permit her to return to her seat. In dismissing the case the magistrate declared that the manager had acted justifiably and in the interest of theatre-goers.

## GIANT LOCOMOTIVE.

The Baldwin Locomotive Works at Eldredge is building the largest locomotive ever constructed. The locomotive, for which the frame has just been built, will be 64 feet long, without the tender, and 110 feet long with the tender. The engine will carry 50,000 gallons of water. It is being built for the Pennsylvania Railroad Company.

## ANTI-CLERICAL POLICY.

The present Italian cabinet formed by Signor Luzzatti, with the support of the radical party, will probably initiate an anti-clerical policy. The under secretary of posts and telegraphs, in a recent speech, said the radicals were determined to vindicate the rights of the state from those of the church and the papacy, and to undertake an antagonistic policy toward the Vatican. Evidently the gov-

ernment programs will include several anti-clerical measures, such as a law giving precedence to civil over religious marriages, and the total abolition of religious instruction in the public schools. An attempt will probably be made to suppress religious congregations. These measures, however, in all likelihood will not be voted by Parliament owing to the fact that Signor Giolitti is expected to resume power toward the end of the year and it is almost certain that Luzzatti's cabinet will fall soon after the summer holidays.

Many Requests from Catarrh sufferers who use steamers have caused us to put up Liquid Cream Balm, a new and convenient form of Ely's Cream Balm, the only remedy for Catarrh which can always be depended on. In power to allay inflammation, to cleanse the clogged air passages, to promote free, natural breathing, the two forms of Cream Balm are alike. Liquid Cream Balm is sold by all druggists for 75 cents, including shipping tube. Mailed by Ely Bros., 56 Warren Street, New York.
