CHURCH HARD ON DELINQUENTS.

Froeling, Va., March 23—A stir has been raised in Little Hope Regular Primitive Baptist Church by an addition to the rules and regulations in effect that no member will be admitted to fellowship who sells his vote, buys a vote or fails to pay his debts. These resolutions were introduced by the pastor, Rev. William D. Howen, and Layman John B. Phipps.

When it was moved to adopt these regulations the church did so by a fair majority. It is openly declared that a number of members will fall under the ban of the regulations. The outcome of the movement is being watched with interest. The church is being commended for the move.
