The policy of any store is a matter of importance to every customer of that store. Some retailers buy always in the cheapest market. Our policy is to buy rather in the dependable market, to stock goods that we can hand with confidence to our customers. For instance: In the photographic line we cleave to the Kodak goods, because we are sure they are right. Take the

## There is a Big Difference in Tea and Coffee

Some coffee grown in Mexico, some in Puerto Rico, and a great deal more in Brazil. It doesn't make so much difference where it's grown as how it's cultivated and what kind of coffee it makes. The same with tea. It doesn't have to be grown in China or Japan if the quality's there. For example—try our Formosa Tea—grown on the Island Formosa, in the China Sea. Experts say its flavor is the best. We make a specialty of coffee and tea quality.
