"SODALICIOUS"
That's what they all say about our soda and other fountain beverages. Our fountain is a popular point of interest these days. The soda which we serve is a marvel of purity and as delicious as it is pure. For ice cream sodas and sundaes a superior grade of ice cream is used—and with it we serve only luscious ripe fruits. Our menu consists of about seventy-five beverages—and each one a favorite with some of our trade.
Try our Maple nut cream.
Be sure to get your share. It's "Sodalicious."
