

Doctor your animals and poultry and keep them well

Keep your horses well; they will work harder for you. Keep your cows well, so no fever-breeding microbes will be in your milk. Disinfect your pig pens and hen-houses, and give your hogs and chickens medicines to prevent cholera. This pays. The little money you spend to PREVENT diseases, will save you far more money than the remedies cost. TAKE CARE of your animals and fowls IN TIME.

Come to OUR Drug Store.
