## Roanoke Lady Praises It.

For Five Years Sought In Vain For Remedy. At Last Finds It. Now Well.

Thousands of people, right here in Virginia are loudly praising the wonderful new remedy, now known around the world as a great stomach, kidney and liver remedy of the most unusual merit.

Mrs. J. H. Rayborn, just recently moved to Roanoke from Clay, Kentucky, and prior to coming was constantly under treatment for her trouble. She says: "Pains of the most severe nature seemed to pierce clear through my stomach after eating and I always seemed bloated and my stomach almost always sour and fermented. On arriving here upon the recommendation of a druggist I knew back home, I began taking Taniae, which I found was sold at the Van Lear Brothers Pharmacy and from the very first noticed results and the second bottle pains all disappeared and I am feeling so much better in every way. I want to personally testify to Taniae's merit.

People suffering from these all too prevalent ailments, the symptoms of which are commonly indigestion, constipation, nervousness, loss of sleep, headaches, sluggish blood, mind and liver, should not wait until conditions caused by imperfect coordination of the vital organs conquer them, but should at once go to the Mutual Drug Company and get a bottle of Taniae.—adv.
