Road Day

Acting under a joint resolution of the General assembly of 1914, requesting the Governor to proclaim a Road Day in May of each year, I do hereby proclaim Thursday, May 4, 1916, to be observed throughout the State as Road Day.

It is to be hoped that the people generally, will co-operate with the road superintendents, road boards and boards of supervisors, so that the work contributed may be done in accordance with established systems, and so that it may have definite aim. All citizens are urged to support this movement, and to give it such time and attention as they may find possible.

"Finest Medicine I Have Ever Taken"

Richmond Man Recovers From His Many Ailments By Taking Tanlac

Mr. Evans, of 2113 E. Grave Street, upon being interviewed recently said: "I suffered from chronic catarrh and kidney trouble. I had a dullness and sore pains across my back and rheumatism in my legs from my knees down causing a numbness from my knees to the bottom of my feet. It was difficult for me to breathe as my head was all stopped up. I happened to see Tanlac advertised and thought I would try it. Now, my soreness and pains have all disappeared as if by magic. My legs are alright and I can breathe better. The bearing down pains from which I also suffered has been overcome and I feel in good shape. Tanlac has certainly helped me and I recommend it to everyone."

A wonderful case! Yes, but Tanlac is doing wonders every day, if you have not taken advantage of it is your own fault. Go today to the Mutual Drug Company and get a bottle of Tanlac and start on the road to health again.
