

# Make Us Responsible For Your Tires

You don't have to "shop" among tire dealers to get the exact tire you want,

—nor buy one make of tire for your rear wheels and another make for your front wheels;

—but you can get exactly the tires which will give you the lowest-cost-per-mile of service among the five different types of United States Tires.

And then you can hold one company—the United States Tire Company—responsible for the result,

—which is much simpler than trying to fix the responsibility on two tire companies through two different dealers.

There are five to choose from,

—one for every need of price and use,

—and every one a tire of supreme service and low-mileage-cost.

## United States Tires Are Good Tires

A Tire for Every Need of Price and Use—  
"Wetly" "Chain"  
"Royal Road"  
"Coco" "Plus"

United States Tires and Tire Accessories Have All the Sterling Worth and Wear that Make United States Tires Supreme.

United States Tires are carried by the following Sales and Service Depot which can tell you which of the five types of United States Tires exactly suits your needs.

**MINERAL MOTOR COMPANY, Big Stone Gap, Virginia**

### Radford Normal Notes.

The American School Peace League, of which Professor J. E. Avent is Secretary of the Virginia Branch, usually observes Peace Day on May 18. In view of the great international conflict the National Secretary advises that the program on May 18 "might well be a combination of exercises emphasizing "national service" and "plans for permanent peace" after the present war, omitting talks about "the horrors of war or the cost of war". It is therefore advised that all the schools observed Peace Day May 18 in accordance with the above suggestions.

The new officers of the Young Woman's Christian Association for the coming year were publicly installed with very impressive ceremony.

Mrs. B. E. Copenhagen, of Marion, delivered an address before the Young Woman's Christian Association at the Normal School on Wednesday on the various forms of Social Service that are now open to young women in their home community. The Young Woman's Christian Association will offer a brief course this spring on Community Uplift through the efforts of young

college women. This course will be directed by Miss Florence C. Baird.

The Student Government Association recently elected officers for the coming year.

The Appalachian School Improvement Foundation under the direction of Professor William E. Gilbert is receiving a large number of calls for lectures and speakers for this spring. He is usually able to fill all these engagements from the list of speakers that he has available.

Dr. J. P. McConnell will on next Wednesday night deliver the address at the close of the Floyd High School. Much interest in better schools is being manifested in Floyd County, and a number of high schools are now in process of development.

### Base Ball

#### Results of Inter-High School Games Played Saturday.

Appalachia vs. Wise.

The Appalachia base ball team defeated Wise Saturday on the latter's grounds by a score of 18 to 4, again winning the Inter-High School championship of Wise County. Wise won the volley ball game by a score of 3 to 0.

At Norton Saturday Coeburn was defeated in the volley ball contest, the score being 3 to 1. East Stone Gap also won their game from Big Stone Gap by a score of 3 to 0, which capped the volley ball pennant. All other scheduled games in the league were postponed on account of bad weather to be played some time this week, which will finish up the schedule.

#### Standing of Leagues

East Stone Gap	3	0
Norton	4	1
Wise	3	2
Coeburn	2	3
Big Stone Gap	1	4
Appalachia	0	5

### IRON GIVES YOU THAT GRAND OLD HAPPY FEELING

Be Sure You Take Right Kind of Iron—Acid Iron Mineral, Nature's Remedy the Best.

### Don't Take Alcohol It Injures Kidneys.

"I climb into my clothes these mornings with a hearty appetite speeding me to the breakfast table. Your little old nerves, all smoothed out by Acid Iron Mineral, seem to shout their happiness at the return of the old vitality and reserve energy. It is common sense too. When you recall the solid, substantial meals eaten a few years ago and compare them day after day with what we now eat, it is no wonder a fellow begins to get pale around the gills, and sort of loses interest in things.

"A cold drink of 'cock' or 'dope' will now and then put you back for an hour or so, but to take good old medicinal iron in big quantities gives you the 'stay there' feeling. In Acid Iron Mineral, you get the most iron per dollar. In fact a dollar bottle lasts from two to ten times as long as other and weaker iron remedies which often as not contain alcohol, which everyone knows has only a temporary effect and always a dangerous reaction when taken in excessive quantities.

#### Give Your Blood a Real Cleaning

Start taking a teaspoonful of Acid Iron Mineral (natural iron) after each meal for a week or ten days. Get out in the air and draw in a few great big mouthfuls of ozone, set the alarm for early and see how sound the sleep gets, and how refreshed and full of vim you feel on getting up. Everybody needs iron. Here it is. Non-alcoholic, non-injurious, helpful and beneficial to blood, kidneys, stomach and bladder. It is death to germs, uric acid, and other blood poisons. Begin by phoning or calling at the nearest druggist this very day. A large bottle of Acid Iron Mineral will be sent anywhere prepaid upon receipt of one dollar. Ferrodine Chemical Corp., Roanoke, Va.—adv.

### CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! Its mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—adv.

Mrs. Brown, of Morristown, is the guest of her daughter, Mrs. Will Everett.

Mrs. Gibson, of Middlesboro, is spending some time with her cousin, Mrs. H. W. Holley.

H. L. Sulfridge was a business visitor to Wise Saturday.

Mrs. Will Fuller and little daughter left Friday for a visit to relatives in Kingport.

### Coughs Worse at Night

The simplest and quickest way to get rid of a searing, racking night cough, tickling throat, hoarse, wheezy breathing is to take

### Foley's Honey and Tar.

In it, you get the curative influence of the pine tar and other healing ingredients, together with the mollifying and laxative action of honey.

Editor C. T. Miller, Clinchport, Ind. (Enclosure): "I was troubled with bronchial affection and coughed constantly day and night. I took Foley's Honey and Tar and got relief. It is the best for bronchial coughs and croup. The delicate and bronchial coughs, croup, hoarseness, tickling throat, are all quickly relieved."
