

KODAK

For Xmas

The flowing lines of the Stars and Stripes, the unusual frequency of uniforms, guns and ships, the sea with its hidden monsters of steel, the sky with its flock of steel birds spitting fire and shell, now using clouds for hiding places, now performing feats of swift daring.

All of these things draw our hands to the Kodak. YOU can keep a record of all this, you can keep your own History of the war.

Send Him an Eastman Autographic Kodak. It is the one thing that will tell of all his experiences when he comes home..

ANSWER PROMPTLY

The telephone operator can ascertain the number wanted and can ring the bell, but she cannot force the called party to answer. Much so-called "slow service" is caused by people who do not answer promptly. A good point to keep in mind.
