No News

From Soldiers Means that He Is All Right.

Although the failure to receive letters from men in the service is not pleasant to relatives and friends at home the adage "no news is good news" never was more true than at present.

No man in the service has received orders not to write home; he has been urged, on the contrary, to keep in touch with relatives and friends.

Care is also taken to see that mail intended for soldiers and sailors reaches them promptly. Where the regimental and company designation of a soldier is not known it may be secured by application to The Adjutant General's Office, Washington, D. C.

"Cured Me Of Indigestion, Kidney, And Colic Troubles"

Greenville, S. C., Man Says Acid Iron Mineral Cured Him Two Years Ago and He Hasn't Been Troubled Since

GET PERMANENT RESULTS

As proof that most people only lack pure blood to feel well all the time, the following statement is published.

"I gradually began to weaken and before I knew it I was having pains in my back that made bending over a torture to me. Then I noticed that sleep was hard to get. I would sleep in fits and starts and my kidneys bothered me. Then my stomach started to rebel at favorite dishes and before I awoke to my condition I couldn't eat vegetables without being distressed and bothered the whole night through.

If your digestion isn't extracting nourishment and your blood being enriched as it should be doctors will tell you to do just as Mr. Burdett did.

"A friend urged me to get busy and take some Acid Iron Mineral and before I had taken a fifty cent bottle I was immensely improved and after finishing that half dollar bottle I was cured. It absolutely cured me and that was two years ago and, not like when you take other medicines, I haven't been sick or bothered since."

"Get a bottle of this natural, highly concentrated medicinal iron which so many find unexcelled for the blood, digestion, kidneys and as a tonic to tone you up. Get a larger dollar size bottle of your nearest druggist."
