WINNING WIDOW A SUCCESS

On last Tuesday night at the Amun Theatre, the Art Class of the High School, presented their play, The Winning Widow, which was a great success. The members of the class who took part in the play were as follows: Miss Anna Bounds, as Mrs. Snow, the Winning Widow; Misses Katherine Barron and Martha Allan as the widow's daughters, Kitty and Margaret Snow. Miss Thelma Kennedy as Bess Jones, who was formerly a rich girl but now the maid in the home of the Snows. Max Life as Harry Deane, the piano tuner, who thought he was in love with Kitty but instead the widow; James Little as Regneld, the poet who thought that he was in love with Margaret but instead the widow. Instead of the daughters winning, it was a Winning Widow. The success of their play showed diligent work on the part of the pupils and much credit should be given Mrs. H. L. Sul-

"YOUR JEWELER"

Appalachia, - Virginia

THERE is no sympathy so helpful to a family that is bereaved as that of true friends and no help so reassuring as that of the good funeral director.

Acting in your stead, he understands that he must act in your spirit, performing each task with the reverence and tenderness with which your own hands would perform it if they could.

Sympathy which cannot be gracefully conveyed by words is revealed through his acts of service which bring the comforting assurance that every attention has been given with thoughtfulness and skill.

Twenty Teams Begin Active Campaign to Raise \$100,000—Old Mountain View Hotel Site Has Been Purchased for New Temple.

Twenty teams, each pledged to raise \$5,000, have started the \$100,000 drive for the new Methodist church of Norton. The new building will be the finest in the county and one of the most imposing in the state. It will cost \$25,000 more than the beautiful Baptist church which was formally opened in Norton a week ago last Sunday when Congressman Upshaw, of Georgia, delivered the opening sermon.

Plans for the new building have been under way for some time. The ladies of the church have been raising money by sales and numerous other ways and have succeeded in making a splendid showing.

The present church has been purchased by the Christian de-

nomination who will use the Mountain View Hotel as a meeting place until work on the new building is started.
