was extremely interesting giving
a clue to that elusive charm in his
music which is summed up in the
words "unfiled longing striving af-
ter the unattainable."
Each number was representative of
the best of the composer's works, and
was well rendered, the "Melody in
F" always familiar and always
charming, and the "Etude in C Ma-
jor" played by Mrs. Black was espe-
cially fine, calling for an encore.

Firestone
CORD TIRES

The tire section above at the left shows the condition of a Firestone 30x3 1/2 Cord Tire after 20,994 miles on a Yellow Cab in Chicago.

The section at the right was cut from a new Cord of the same size. Careful measurements show that only 1/3 of the tread of the tire on the Yellow Cab has been worn away after this long, grueling test. The carcass is intact after more than 11,000,000 revolutions.

Firestone Cords have averaged over 10,000 miles on Chicago Yellow Cabs (1,200 cabs all Firestone equipped). In thousands of instances, they have given from 15,000 to 30,000 miles.

Look at the tread—scientifically angled against skid, massive and heavy in the center where the wear comes, tapered at the edges to make steering easy and to protect the carcass against destructive hinging action of high tread edges. The carcass is air bag expanded to insure uniform tension and paralleling of every individual cord. It is double "gun dipped" to make sure that each cord is thoroughly insulated with rubber.

This is the reason why Firestone Cords unfailingly deliver extraordinary mileage. It explains the unanimous demand of thoughtful tire buyers for these values. The local Firestone dealer will continue to provide the personal service that makes Firestone tire comfort and economy complete.

EVANGELIST AND ASSISTANTS

Now Holding Meetings Here Highly Praised by Mr. Keller, of Norton

Norton, Va., May 27, 1922.
Editor Big Stone Gap Post,
Big Stone Gap, Va.

Dear Sir—
The people of Big Stone Gap and that vicinity are to be congratulated in having the opportunity to listen to God's messages as they will be delivered in sermon and song by Dr. Harry A. Thomson, his wife, and Mr. D. J. Williams.

It has been my good fortune to listen to that wonderful evangelist, Mr. D. L. Moody, and his singer, Mr. A. J. Snakely, as in sermon and song they delivered to the people the message God gave them, declaring without fear or favor the whole counsel of God.

Since then I have listened to many evangelists and preachers and learned to love and respect many of them. But not till I heard Dr. Harry A. Thomson deliver without fear or favor the whole counsel of God, that I had a man who was so much like Mr. D. L. Moody in his discharge of the responsibility laid upon him, and when I heard Mr. D. J. Williams, the fine, little, loving, Golly, which singer, sing the Gospel message, I was carried back to my boyhood days when Mr. A. J. Sandley sang the same sweet gospel.

I most earnestly urge you to do all you can to get the people to go to the tent, and listen as the Thomson Evangelistic Party deliver their God-given messages. Just as the sun melts

ice and hardens clay, so men who come under the influence of the Thomson Evangelistic Party, will either come away better men, women and children, or become more gospel-hardened.

It is a rare treat for the people of Big Stone Gap and vicinity to have God's messengers in their midst. The people should take advantage of the opportunity.

Very truly yours,
W. H. KELLER

MUSIC STUDY CLUB

The Big Stone Gap Music Study Club met on Wednesday, May 17th, at the home of Mrs. D. B. Pierson. The subject for the afternoon was "Rubenstein" and proved a most interesting one. Mrs. Pierson's home is admirably adapted for musicales, the large living room opening into the music room, and both rooms were filled with Summer's best roses and lilies in all their loveliness.

There were a number of business matters which came up for attention, and the earnest spirit of the club was well expressed in the hearty cooperation of its active members, and in the interest with which new plans for improvements were discussed. After the formal business was disposed of, the following program was recited:
