Time To Say  
Good-Bye

There is no more gracious way of terminating a telephone conversation than with "Good-bye." It is a simple expression indicating that the call is ended, and it prevents confusion by hanging up the receiver.

Sometimes the operator is blamed for a supposed cut-off when one of the talkers hangs up without taking the trouble to say the usual final word. We heartily recommend "Good-bye."

**To Our Patrons**

Alexandria, Va., June 2, 1919.

In line with our progressive banking methods, and to meet the demands of our patrons, we are installing on July 1st, an up-to-date Safe Deposit Department, under the personal supervision of one of our officers.

This has been made necessary from the fact that a large number of our depositors owning Liberty Bonds and other securities desire a safe place for their keeping.

It is our plan to enlarge the number of Safe Deposit Boxes, and make a rental charge to meet the operating expenses of this Department. This charge will become effective July 1st, 1919, and a bill will be sent out at that time to the holders of boxes, and if any desire to make any change we will be glad to have them call before the bills are rendered for the ensuing year.
