The "THOROBRED"
7-passenger Touring Car

THE trend of automobile engineering points to the 8-cylinder car. And good buying judgment points to Oldsmobile.

We aimed higher than simply pioneering the "eight." We aimed to produce one of moderate price and low maintenance costs,

—that had the flexibility, smoothness and abundance of power inherent in the 8-cylinder car.

—that cost as little to buy and operate as the majority of "sixes" and many "fours."

—that would be smartly distinctive, yet characteristically Oldsmobile.

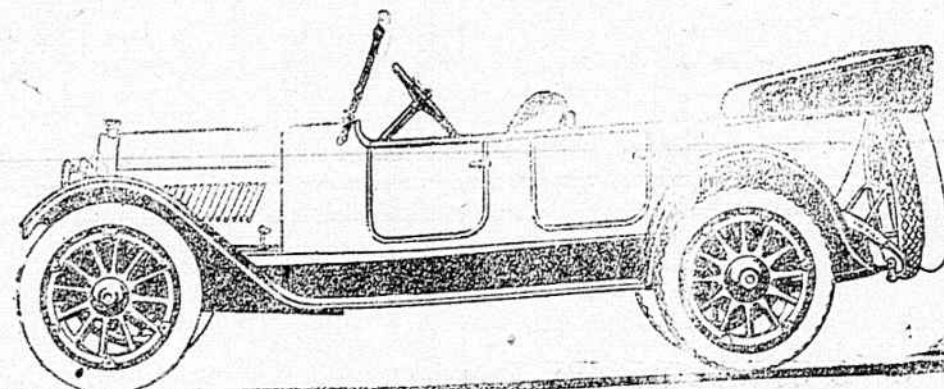

Our aim is attained in the "THOROBRED"—the only popular priced "eight" in which mechanical excellence is combined with rare riding comfort and up-to-the-minute body lines. Oldsmobiles have been the history-makers of motordom; the "THOROBRED" is well worthy to perpetuate the name.

Descriptive literature will be sent upon request, or a demonstration gladly arranged.

"There's
a
Reason"

Alexandria affords unbounded opportunities to industries and manufactories with excellent facilities for handling trade by rail and water.

The membership of the Chamber of Commerce represents the best thought and activity of the city. The Chamber of Commerce fosters the trade and welfare of Alexandria—is always alive to its duties toward the Industrial, Manufacturing and Commercial interests and encourages, in every way, housing facilities.

The Alexandria Chamber of Commerce extends every courtesy and will gladly furnish facts and figures concerning our city, which has increased from 18,000 to about 35,000 people in the past two years.
