A Letter

just to hand says: "It is needless for me to express my high opinion of Pearlina, and that no clean family lives without it." Thousands of letters come, praising Pearlina, but they don't all put it so strongly. We wouldn't want to ourselves. We don't say that things can't be made clean without Pearlina. But we do say that things can't be made clean with so little labor and so little damage by any other means. And we want to say that, loudly. Millions use Pearlina.

Peddlers and some unscrupulous grocers will tell you, "This is as good as Pearlina," or "The same as Pearlina." IT'S FALSE—Pearlina is never peddled, if your grocer sends you an imitation, be honest—send it back. (By JAMES PYLE, N.Y.)

Beware

Only a short time ago they rubbed and scrubbed and fussed in the old-fashioned way without it.

SHOE RETAILING.

The demand for Low Cut and Tan Shoes is so great that nearly every wholesaler and retailer in the country is short on this very class of goods. Not so with us. We took advantage of the situation and piled in our orders for Summer Shoes. In consequence, we are selling many of our reasonable Shoe lines for less than other dealers are buying similar qualities for.
