Childless people often drift apart. The wife seeks to satisfy her heart craving, by society. Always roaming with a hungry heart. The husband finds the home dull and goes to the club. The happiest homes are those which echo to the love and laughter of childish voices. The conditions which preclude motherhood are often remediable. They grow out of a diseased or enfeebled condition of the delicate female organs. Which these conditions are removed, and vitality and elasticity given to the organs of motherhood, it frequently follows that the home is gladdened by the coming of a healthy, happy infant.

There is no other medicine that will do as much for women as Dr. Pierce's Favorite Prescription. It dries up disagreeable drains, always inflammation, heals ulceration, cures female weakness, and establishes the delicate womanly organs in a state of perfect health and vigor.

There is no alcohol, opium or other narcotic in "Favorite Prescription." Any sick woman may consult Dr. R. V. Pierce, of Buffalo, N. Y., by letter. Free. Every letter is held as strictly private and absolutely confidential.

"I had been a sufferer from uterine trouble for about three years, having two miscarriages in that time, and the doctor that I consulted said I would never be able to have any more children. I wrote Mr. J. C. Williams, of Lowell, Mass., and thought I would give it a trial as a last resort. I bought a bottle of Dr. Pierce's Favorite Prescription, and after taking four and a half bottles I gave birth to a bright baby girl who is now four months old and has not had a day of sickness. I cannot say too much in praise of Dr. Pierce's Favorite Prescription."

Dr. Pierce's Pellets are a boon to women of constipated habit. grandsons of the deceased—Messrs. Coleman Williams, Henry Williams, George Tolson, Fred. Frank, Charles H. Smith, Victor Williams, and Willie Gwatkins. The interment was in the family section in Hollywood.
