been my Agent for a number of years, and
will furnish estimates and particulars to all
who apply.

**Thousands Have Kidney Trouble
and Don't Know It.**

How To Find Out.
Fill a bottle or common glass with your
water and let it stand twenty-four hours. A
sediment or settling indicates an
unhealthy condition of the kidneys; if it stains
your linen it is evidence of kidney
trouble, too frequent desire to pass it or pain in
the back is also convincing proof that the kidneys and bladder
are out of order.

What to Do.
There is comfort in the knowledge so
often expressed, that Dr. Kilmer's Swamp-
Root, the great kidney remedy fulfills every
wish in curing rheumatism, pain in the
back, kidneys, liver, bladder and every part
of the urinary passage. It corrects inability
to hold water and scalding pain in passing
it, or bad effects following use of liquor,
wine or beer, and overcomes that unpleasant
necessity of being compelled to go often
during the day, and to get up many times
during the night. The mild and the extra-
ordinary effect of Swamp-Root is soon
realized. It stands the highest for its won-
derful cures of the most distressing cases,
if you need a medicine you should have the
best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this
wonderful discovery and a book that tells
more about it, both sent
absolutely free by mail,
Dr. Kilmer & Co., Binghamton, N. Y. When writing mention
reading this generous offer in this paper.

WE WISH

Each and Every One of Our Patrons
a Merry Christmas and a
Happy New Year.

To those in Farmville who are without
the convenience of a phone, we advise you
to give your order NOW.

Our limit has been reached, but we propose
putting in additional capacity, provided
we can secure 25 new subscribers—we have
secured eleven, therefore we need only four
more. Be sure you are ONE OF THAT NUM-
BER.

We give the cheapest and best service in
the State—\$10.00 for a residence and \$15.00 for
a place of business.

Ask our patrons how we are serving them
and be sure to

ORDER NOW,

or the limit will be again reached and you
will be left out.

Leave the order at the Central Office, over
the Postoffice, or at the Planters' Bank, with
Mr. W. P. Venable.

cle or Wagon of Doyne.

PARASITES IN LIVES.

How to Exterminate Insects Which
Prey Upon the Honey Accumula-
tions of Bees.

The presence of ants, cockroaches
and other insects of this nature about
bee hives and in supers is largely the
fault of the hive used. Such hives
usually have corners and unoccupied
places in them where such insects
haber. If you have supers that the
bees do not occupy on the hives re-
move them, or learn why the bees do
not go to work in them. Such sup-
ers have open places to admit of these
insects. Ants, cockroaches and such are
not considered damaging to bees to the
extent of bothering with them, except
in cases where the colony is weak and
cannot occupy all the combs or the
hives and supers. In this case the best
remedy is to build the colony up strong
by feeding giving it bread from other
colonies, and also removing for the
time being all surplus supers or combs,
and excluding these pests by shutting
them out of such places. The latest
up-to-date hives and supers do not ad-
mit of insects, and the different parts
of the hive are not added until the
bees are ready to occupy them.

What to Do.
There is comfort in the knowledge so
often expressed, that Dr. Kilmer's Swamp-
Root, the great kidney remedy fulfills every
wish in curing rheumatism, pain in the
