WIND AS THE WIND.

The Constitutional Convention has given to the people of the State the poor privilege of voting on the subject of prohibition in 1902, but, then, the Convention has a way of changing its mind often than the moon changes.

The HERALD began reporting the proceedings of the body and would have gladly continued it, but being only a weekly it found it impossible to correct its record as often as was necessary to prevent absolute and intricate confusion.

The register of the land office is decapitated one day and very much of a lively corpse the next. The public printer is defamed and then something of a "five wire" immediately thereafter.

"DIED LIKE A GENTLEMAN."

Secretary Hay paid a noble and eloquent tribute to the memory of the late President McKinley, before a notable gathering in the hall of the lower house of Congress, on the 27th of February, but marred it when in his closing words said: "In his last hours he was as gentle as a child."

A SHOWER OF COMPLIMENTS.

The public school system of Virginia is receiving a bunch of bouquets(?) thrown by its friends(?) If this thing continues the whole system will incur public disfavor, and be buried under an avalanche of public odium.

A Liberal Offer.

The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to any one wanting a reliable remedy for disorders of the stomach, biliousness or constipation.

Worse Than A Blow.

From a hard fist is the bullet of cold wind upon a pair of improperly protected lungs. A few minutes exposure to cold may be the beginning of consumption.

THE DOG TAX.

It is subject of profound satisfaction that our legislators seem determined to protect the sheep of Virginia against the worthless curs of Virginia. If you do this, gentlemen, and nothing more, we will forgive you for extending the session for 30 days, especially at a time when "we the people," are paying for two luxuries(?)

Having a Run on Chamberlain's Cough Remedy.

Between the hours of eleven o'clock A. M. and closing time at night on Jan. 25th, 1901, A. F. Clark, druggist, Grade Springs, Va., sold twelve bottles of Chamberlain's Cough Remedy.

A Printer Greatly Surprised.

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry P. Crank, proprietor of the Advance (N. C. State). "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so I bought a bottle of it and being sure I could think of it, my rheumatism had taken its flight and I have not had a rheumatic pain since."

Practically Starving.

"Attracting a few bottles of Kahl Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent of Massena, Ill. Before using Kahl Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured.

Chronic Diarrhoea.
