### DO YOU GET UP WITH A LAME BACK?

**Kidney Trouble Makes You Miserable.**  
Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, urea and troubles and Bright's Disease, which is the worst form of kidney trouble.  
Dr. Kilmer's Swamp-Root is not recommended for anything but if you have kidney, liver or bladder trouble, it will be found in the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Box 518, Hamilton, N. Y. The regular fifty cent and some of Swamp-Root, dollar sizes are sold by all good druggists.

### DICTATES OF FASHION.

The camelia is the favorite flower for hats in Paris, not only in white but in colors as well. Pink and white camelias with a knot of black velvet decorate one hat, and again you see a bunch of bright red ones with glossy green leaves on a sable hat.  
A handsome gown in black and silver showed folds of maltese lace on fine net, with deep lace flounces in black, chastily lace, sprinkled with the finest silver sequins. A touch of Indian gold thread embroidery at neck and sleeves gave a finishing touch.  
Gonnetal pannes attract considerable attention in the gay world. It seems destined for eternal wear. An opera cloak, a visiting dress or a simple piece of millinery are "habille" of the beautiful glossy fabric. The darkest shade of gun metal is even handsomer than the palest tint.  
Handsome buttons are the rage this season, and at their best they are really articles of virtue, hand-painted and enameled. Semi-precious stones are very much worn in this form, as well as in every other, and there are turquoise and opal buttons, buttons of coral, amethyst and amber used on tailor-made gowns.  
Very effective for a head-dress for evening are two petcock's feathers made entirely of sequins in colors, reproducing the effect of the feathers with remarkable accuracy. The two feathers are carried straight up from two small knots of black velvet, which finish a band of the same material, which is to be carried around the coil of hair.  
Tight-fitting skirts have provoked rivalry in petticoat makers, who are vying with one another to produce the petticoat which shall occupy the least space. One of the most recent has been the elastic fabric fitting like a glove to the figure. Silk ruffles finish these skirts to a depth of 12 or 14 inches.  
Black silk is now much worn, and though rather old-looking and not becoming to everyone, is undeniably serviceable and useful. A typical black silk gown is made with perpendicular tucks on the whole of the bodice and skirt, ending about the knee line on the latter, the fullness spreading into a deep bounce. The sleeves are also tucked throughout their entire length, and like the skirt, end in a frill.

### JUST A HINT OR TWO.

Lemons will keep much longer if immersed in cold water which is replaced each day.  
Black lace should be sponged with green tea to be made to look quite new and fresh again.  
Sour milk added to the water with which oatmeal or linseed is washed gives it a fluffier like new.  
Flatirons should not be allowed to become red hot, for they never retain the heat properly afterward.  
When making cakes, etc., try greasing the tin with olive oil instead of butter, and they will turn out much better and without any trouble.  
The easiest way of removing fruit stains from linen is to place the article in a bowl and immediately pour on boiling water, when stains will be found to entirely disappear.  
To preserve blankets that are badly worn, patch all holes too large to darn; then cover with cheese-cloth and tack with colored yarn or worsted. Patchholes with the yarn across the ends.  
To loosen a glass stopper soak a corner of a glass cloth in boiling water and then wrap it round the neck of the bottle. The heat will cause the neck to expand and then the stopper may easily be removed.  
To renovate leather furniture wash with a little soap and water and when dry apply a little vaseline, rubbed in with the hand. Let it remain till next morning, then polish with a soft duster. This treatment will prevent the leather from cracking.  
The very best dishcloths are made of knitted cotton, for they wash again and again and look like new. After using always wash a dishcloth with soap and soda, then rinse thoroughly and hang in the air to dry. A dirty dishcloth is a disgrace to a housewife.  
**BITS OF INTERESTING FACT.**  
Of the 119 counties in Kentucky 94 receive more money from the state than they pay to the treasury.

### How to Avoid Trouble.

Now is the time to provide yourself and family with a bottle of Chamberlain's Cough, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busier season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by The Winston Drug Co.  
One foot in a family ought to be enough, but it seldom happens that way.  
My little son had an attack of whooping cough and was threatened with pneumonia, but for Chamberlain's Cough Remedy we would have had a serious case of it. It also saved him from several severe attacks of group—H. J. Smyth, 1000th St., Washington, D. C., Fair Haven, Wash. For sale by The Winston Drug Co.  
Waltresses should wear fetching costumes.  
Of what does a bad taste in your mouth remind you? It indicates that your stomach is in bad condition and will remind you that there is nothing so good for such a disorder as Chamberlain's Stomach and Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents per box by The Winston Drug Co.  
Even the frowner sometimes writes a string.  
**Leads Them All.**  
"One Minute Cough Cure beats all other medicines I ever used for coughs, colds, croup and throat and lung troubles," says D. Scott Carter, of Lexington, Va. "One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done for their little ones. Cough is so sudden in its attacks that the doctor often arrives too late. It yields almost to the One Minute Cough Cure. Pleasant to take. Children-like it. Sure cure for grip, bronchitis and coughs.—Anderson Drug Co."  
**Takes One Night, but we must have them.**  
**Read It in His Newspaper.**  
George Schantz, a well known German citizen of New Lebanon, Ohio, is a constant reader of the *Winston*. I do not know how many of you have read it. He knows that this paper always contains the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though I were new, and before using the entire contents of the bottle the unbearable pains had entirely vanished, and she could again take up her household duties.' He is very thankful and hopes that all suffering likewise will bear the wonderful recovery. This valuable liniment is for sale by The Winston Drug Co.  
"One foot in a family ought to be enough, but it seldom happens that way."  
**A Real Friend.**  
"I suffered from dyspepsia and indigestion for three years," says W. T. Birchmont of Merry Oaks, N. C. "After I had tried many doctors and medicines I was told, one of my friends persuaded me to try Kodol. It gave me immediate relief. I eat out almost anything I want and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat indigesting it without the stomach's aid.—Anderson Drug Co.  
After a man is married he discovers that his wife's golden tresses are nothing in the world but red hair.  
**Spring Fever.**  
Spring fever is another name for listlessness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. Dewitt's Little Early Bitters removes all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken Dewitt's Little Early Bitters for several years every spring for years," writes S. M. Every, Mountbelle, W. Va. "They do me more good than anything I have ever tried."  
We don't place monuments over our buried hopes.  
For listlessness use Chamberlain's Stomach and Liver Tablets. They cleanse the stomach and regulate the liver and bowels, effecting a quick and permanent cure. For sale by The Winston Drug Co.  
Even the frowner sometimes writes a string.  
**Question Answered.**  
Yes, August Flower will has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headache and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. You can get Dr. G. E.
